**SECTION 1.03. Content and Form of Documents Delivered to Trustee.**

Any Officer's Certificate may be based (without further examination or investigation), insofar as it relates to or is dependent upon legal matters, upon an opinion of, or representations by, counsel, and, insofar as it relates to or is dependent upon matters which are subject to verification by Accountants, upon a certificate or opinion of, or representations by, an Accountant, unless, in any case, such officer has actual knowledge that the certificate or opinion or representations with respect to the matters upon which such Officer's Certificate may be based as aforesaid are erroneous.

Any Opinion of Counsel may be based (without further examination or investigation), insofar as it relates to or is dependent upon factual matters, information with respect to which is in the possession of the Company, upon a certificate of, or representations by, an officer or officers of the Company, and, insofar as it relates to or is dependent upon matters which are subject to verification by Accountants upon a certificate or opinion of, or representations by, an Accountant, unless such counsel has actual knowledge that the certificate or opinion or representations with respect to the matters upon which his opinion may be based as aforesaid are erroneous. In addition, any Opinion of Counsel may be based (without further examination or investigation), insofar as it relates to or is dependent upon matters covered in an Opinion of Counsel rendered by other counsel, upon such other Opinion of Counsel, unless such counsel has actual knowledge that the Opinion of Counsel rendered by such other counsel with respect to the matters upon which his Opinion of Counsel may be based as aforesaid are erroneous. Where any Person is required to make, give or execute two or more applications, requests, consents, certificates, statements, opinions or other instruments under this Indenture, they may, but need not, be consolidated and form one instrument.

Whenever, subsequent to the receipt by the Trustee of any Board Resolution, Officer's Certificate, Opinion of Counsel or other document or instrument, a clerical, typographical or other inadvertent or unintentional error or omission shall be discovered therein, a new document or instrument may be substituted therefor in corrected form with the same force and effect as if originally filed in the corrected form and, irrespective of the date or dates of the actual execution and/or delivery thereof, such substitute document or instrument shall be deemed to have been executed and/or delivered as of the date or dates required with respect to the document or instrument for which it is substituted. Anything in this Indenture to the contrary notwithstanding, if any such corrective document or instrument indicates that action has been taken by or at the request of the Company which could not have been taken had the original document or instrument not contained such error or omission, the action so taken shall not be invalidated or otherwise rendered ineffective but shall be and remain in full force and effect, except to the extent that such action was a result of willful misconduct or bad faith. Without limiting the generality of the foregoing, any Bonds issued under the authority of such defective document or instrument shall nevertheless be the valid obligations of the Company entitled to the benefit of this Indenture equally and ratably with all other Outstanding Bonds, except as aforesaid.

**SECTION 1.04. Acts of Holders.**

(a) Any request, demand, authorization, direction, notice, consent, election, waiver or other action provided by this Indenture to be made, given or taken by Holders may be embodied in and evidenced by one or more instruments of substantially similar tenor signed by such Holders in person or by an agent duly appointed in writing or, alternatively, may be embodied in and evidenced by the record of Holders voting in favor thereof, either in person or by proxies duly appointed in writing, at any meeting of Holders duly called and held in accordance with the provisions of Article XIV, or a combination of such instruments and any such record. Except as herein otherwise expressly provided, such action shall become effective when such instrument or instruments or record or both are delivered to the Trustee and, where it is hereby expressly required, to the Company. Such instrument or instruments and any such record (and the action embodied therein and evidenced thereby) are herein sometimes referred to as the "Act" of the Holders signing such instrument or instruments and so voting at any such meeting. Proof of execution of any such instrument or of a writing appointing any such agent, or of the holding by any Person of a Bond, shall be sufficient for any purpose of this Indenture and (subject to Section 10.01) conclusive in favor of the Trustee and the Company, if made in the manner provided in this Section. The record of any meeting of Holders shall be proved in the manner provided in Section 14.06.

(b) The fact and date of the execution by any Person of any such instrument or writing may be proved by the affidavit of a witness of such execution or by a certificate of a notary public or other officer authorized by law to take acknowledgments of deeds, certifying that the individual signing such instrument or writing acknowledged to him the execution thereof or may be proved in any other manner which the Trustee and the Company deem sufficient. Where such execution is by a signer acting in a capacity other than his individual capacity, such certificate or affidavit shall also constitute sufficient proof of his authority.

(c) The ownership, principal amount and serial numbers of Bonds held by any Person, and the date of holding the same, shall be proved by the Bond Register.

(d) Any request, demand, authorization, direction, notice, consent, election, waiver or other Act of a Holder shall bind every future Holder of the same Bond and the Holder of every Bond issued upon the registration of transfer thereof or in exchange therefor or in lieu thereof in respect of anything done, omitted or suffered to be done by the Trustee or the Company in reliance thereon, whether or not notation of such action is made upon such Bond.

(e) Until such time as written instruments shall have been delivered to the Trustee with respect to the requisite percentage of principal amount of Bonds for the action contemplated by such instruments, any such instrument executed and delivered by or on behalf of a Holder may be revoked with respect to any or all of such Bonds by written notice by such Holder or any subsequent Holder, proven in the manner in which such instrument was proven.

(f) Bonds of any series, or any Tranche thereof, authenticated and delivered after any Act of Holders may, and shall if required by the Trustee, bear a notation in form approved by the Trustee as to any action taken by such Act of Holders. If the Company shall so determine, new Bonds of any series, or any Tranche thereof, so modified as to conform, in the opinion of the

Trustee and the Company, to such action may be prepared and executed by the Company and authenticated and delivered by the Trustee in exchange for Outstanding Bonds of such series or Tranche.

(g) The Company may, at its option, by Company Order, fix in advance a record date for the determination of Holders entitled to give any request, demand, authorization, direction, notice, consent, waiver or other Act solicited by the Company, but the Company shall have no obligation to do so. In addition, the Trustee may, at its option, fix in advance a record date for the determination of Holders entitled to join in the giving or making of any Notice of Default, any declaration of acceleration referred to in Section 9.02, any request to institute proceedings referred to in Section 9.07 or any direction referred to in Section 9.12. If any such record date is fixed, such request, demand, authorization, direction, notice, consent, waiver or other Act, or such notice, declaration, request or direction, may be given before or after such record date, but only the Holders of record at the close of business on the record date shall be deemed to be Holders for the purposes of determining (i) whether Holders of the requisite proportion of the Outstanding Bonds have authorized or agreed or consented to such Act (and for that purpose the Outstanding Bonds shall be computed as of the record date) and/or (ii) which Holders may revoke any such Act (notwithstanding subsection (e) of this Section); and any such Act, given as aforesaid, shall be effective whether or not the Holders which authorized or agreed or consented to such Act remain Holders after such record date and whether or not the Bonds held by such Holders remain Outstanding after such record date.

**SECTION 1.05. Notices, Etc. to Trustee and Company.**

Except as otherwise provided herein, any request, demand, authorization, direction, notice, consent, election, waiver or Act of Holders or other document provided or permitted by this Indenture to be made or served upon, given or furnished to, or filed with, the Trustee by any Holder or by the Company, or the Company by the Trustee or by any Holder, shall be sufficient for every purpose hereunder (unless otherwise expressly provided herein) if the same shall be in writing and delivered personally to the addressee (which delivery, with respect to the Trustee, shall be made to its Corporate Trust Office and addressed to the attention of the Corporate Trust Administration), or transmitted by facsimile transmission or other direct written electronic means to such telephone number or other electronic communications address as the parties hereto shall from time to time designate, or transmitted by registered or certified mail, return receipt requested, or overnight courier guaranteeing next day delivery, charges prepaid, to the applicable address set forth opposite such party's name below or to such other address as either party hereto may from time to time designate:

In case by reason of the suspension of regular mail service or by reason of any other cause it shall be impracticable to give such notice to Holders by mail, then such notification as shall be made with the approval of the Trustee shall constitute a sufficient notification for every purpose hereunder. In any case where notice to Holders is given by mail, neither the failure to mail such notice, nor any defect in any notice so mailed, to any particular Holder shall affect the sufficiency of such notice with respect to other Holders.

Any notice required by this Indenture may be waived in writing by the Person entitled to receive such notice, either before or after the event otherwise to be specified therein, and such waiver shall be the equivalent of such notice. Waivers of notice by Holders shall be filed with the Trustee, but such filing shall not be a condition precedent to the validity of any action taken in reliance upon such waiver.

**SECTION 1.07. Conflict With Trust Indenture Act.**

If any provision of this Indenture limits, qualifies or conflicts with another provision hereof which is required or deemed to be included in this Indenture by any provision of the Trust Indenture Act, the provision required or deemed to be included by the Trust Indenture Act shall control; and if any provision hereof otherwise conflicts with the Trust Indenture Act, or limits, qualifies or conflicts with the duties imposed by Section 318(c) of the Trust Indenture Act, the Trust Indenture Act, including the duties imposed by Section 318(c) of the Trust Indenture Act, shall control.

**SECTION 1.11. Benefits of Indenture.**

Nothing in this Indenture or the Bonds, express or implied, shall give to any Person, other than the parties hereto, their successors hereunder and the Holders, any benefit or any legal or equitable right, remedy or claim under this Indenture.

The Trustee shall not be liable for any losses, costs or expenses arising directly or indirectly from the Trustee's reliance upon and compliance with such instructions notwithstanding such instructions conflict or are inconsistent with a subsequent written instruction. The Company agrees to assume all risks arising out of the use of such electronic methods to submit instructions and directions to the Trustee, including without limitation the risk of the Trustee acting on unauthorized instructions, and the risk of interception and misuse by third parties.

(h) the obligation or obligations, if any, of the Company to redeem, purchase or repay the Bonds of such series, or any Tranche thereof, pursuant to any sinking fund or other mandatory redemption provisions or at the option of a Holder thereof and the period or periods within which or the date or dates on which, the price or prices at which and the terms and conditions upon which such Bonds shall be redeemed, purchased or repaid, in whole or in part, pursuant to such obligation, and applicable exceptions to the requirements of Section 6.04 in the case of mandatory redemption or redemption or repayment at the option of the Holder;

(i) the denominations in which Bonds of such series, or any Tranche thereof, shall be issuable if other than denominations of One Thousand Dollars (\$1,000) and any integral multiple thereof;

(j) the currency or currencies, including composite currencies, in which payment of the principal of and premium, if any, and interest, if any, on the Bonds of such series, or any Tranche thereof, shall be payable (if other than in Dollars); it being understood that, for purposes of calculations under this Indenture, any amounts denominated in a currency other than Dollars or in a composite currency shall be converted to Dollar equivalents by calculating the amount of Dollars which could have been purchased by the amount of such other currency based on such quotations or methods of determination as shall be specified pursuant to this clause (j);

(k) if the principal of or premium, if any, or interest, if any, on the Bonds of such series, or any Tranche thereof, are to be payable, at the election of the Company or a Holder thereof, in a coin or currency other than that in which the Bonds are stated to be payable, the coin or currency in which payment of any amount as to which such election is made will be payable, the period or periods within which, and the terms and conditions upon which, such election may be made; it being understood that, for purposes of calculations under this Indenture, any such election shall be required to be taken into account, in the manner contemplated in clause (j) of this paragraph, only after such election shall have been made;

(l) if the principal of or premium, if any, or interest, if any, on the Bonds of such series, or any Tranche thereof, are to be payable, or are to be payable at the election of the Company or a Holder thereof, in securities or other property, the type and amount of such securities or other property, or the formula or other method or other means by which such amount shall be determined, and the period or periods within which, and the terms and conditions upon which, any such election may be made; it being understood that all calculations under this Indenture shall be made on the basis of the fair market value of such securities or the Fair Value of such other property, in either case determined by the Company as of the most recent practicable date, except that, in the case of any amount of principal or interest that may be so payable at the election of the Company or a Holder, if such election shall not yet have been made, such calculations shall be made by the Company on the basis of the amount of principal or interest, as the case may be, that would be payable if no such election were made;

(m) if the amount payable in respect of principal of or premium, if any, or interest, if any, on the Bonds of such series, or any Tranche thereof, may be determined with reference to an index, formula or other fact or event ascertainable outside of this Indenture, the manner in which such amounts shall be determined (to the extent not established pursuant to clause (e) of this paragraph); it being understood that all calculations under this Indenture shall be made on the basis of the amount that would be payable as principal if such principal were due, or on the basis of the interest rates in effect, as the case may be, on the date next preceding the date of such calculation;

(n) if other than the entire principal amount thereof, the portion of the principal amount of Bonds of such series, or any Tranche thereof, which shall be payable upon declaration of acceleration of the Maturity thereof pursuant to Section 9.02;

(o) the terms, if any, pursuant to which the Bonds of such series, or any Tranche thereof, may be converted into or exchanged for shares of capital stock or other securities of the Company or any other Person;

(p) the obligations or instruments, if any, which shall be considered to be Eligible Obligations in respect of the Bonds of such series, or any Tranche thereof, denominated in a currency other than Dollars or in a composite currency, and any additional or alternative provisions for the reinstatement of the Company's indebtedness in respect of such Bonds after the satisfaction and discharge thereof as provided in Section 8.01;

(q) (i) whether the Bonds of such series, or any Tranche thereof, are to be issued as Global Bonds and if such Bonds are to be issued as Global Bonds, the Depositary for such Global

Bonds, (ii) any limitations on the rights of the Holder or Holders of such Bonds to transfer or exchange the same or to obtain the registration of transfer thereof, if other than as provided in Section 3.05, (iii) any limitations on the rights of the Holder or Holders thereof to obtain certificates therefor in certificated form in lieu of temporary form, and (iv) any and all other matters incidental to such Bonds;

(r) to the extent not established pursuant to clause (q) of this paragraph, any limitations on the rights of the Holders of the Bonds of such series, or any Tranche thereof, to transfer or exchange such Bonds or to obtain the registration of transfer thereof; and if a service charge will be made for the registration of transfer or exchange of Bonds of such series, or any Tranche thereof, the amount or terms thereof;

(s) any exceptions to Section 1.13, or variation in the definition of Business Day, with respect to the Bonds of such series, or any Tranche thereof;

(t) if the principal of Bonds of such series is payable from time to time without presentation or surrender, any method or manner of calculating the principal amount of Bonds of such series that is Outstanding at any time for purposes of this Indenture, if other than as specified in the last proviso of the definition of "Outstanding"; and

(u) any other terms of the Bonds of such series, or any Tranche thereof.

With respect to Bonds of a series subject to a Periodic Offering, the indenture supplemental hereto or the Board Resolution which establishes such series, or the Officer's Certificate pursuant to such supplemental indenture or Board Resolution, as the case may be, may provide general terms or parameters for Bonds of such series and provide either that the specific terms of Bonds of such series, or any Tranche thereof, shall be specified in a Company Order or that such terms shall be determined by the Company or its agents in accordance with procedures specified in a Company Order as contemplated by Section 5.01(b).

Anything herein to the contrary notwithstanding, the Trustee shall be under no obligation to authenticate and deliver Bonds of any series the terms of which, established as contemplated by this Section, would adversely affect the rights, duties, obligations, liabilities or immunities of the Trustee under this Indenture or otherwise.

### **SECTION 3.02. Denominations.**

Unless otherwise provided as contemplated by Section 3.01 with respect to any series of Bonds, or any Tranche thereof, the Bonds of each series shall be issuable in denominations of One Thousand Dollars (\$1,000) and any integral multiple thereof.

### **SECTION 3.03. Execution, Dating, Certificate of Authentication.**

Unless otherwise provided as contemplated by Section 3.01 with respect to any series of Bonds, or any Tranche thereof, the Bonds shall be executed on behalf of the Company by any two of the following: the President, the Chief Executive Officer, any Vice President, the Chief Financial Officer, the Treasurer or any Assistant Treasurer. The corporate seal of the Company may be affixed thereto or reproduced thereon and attested by the Company's Corporate Secretary or any

other officer of the Company as permitted by the Company's bylaws. The signature of any or all of these officers on the Bonds may be manual or facsimile.

Bonds bearing the manual or facsimile signatures of individuals who were at the time of execution the President, the Chief Executive Officer, a Vice President, the Chief Financial Officer, the Treasurer or an Assistant Treasurer of the Company shall bind the Company, notwithstanding that such individuals or any of them have ceased to hold such offices prior to the authentication and delivery of such Bonds or did not hold such offices at the date of such Bonds.

Unless otherwise specified as contemplated by Section 3.01 with respect to any series of Bonds, or any Tranche thereof, each Bond shall be dated the date of its authentication.

Unless otherwise specified as contemplated by Section 3.01 with respect to any series of Bonds, or any Tranche thereof, no Bond shall be entitled to any benefit under this Indenture or be valid or obligatory for any purpose unless there appears on such Bond a certificate of authentication substantially in the form provided for herein executed by the Trustee or an Authenticating Agent by manual signature of an authorized officer thereof, and such certificate upon any Bond shall be conclusive evidence, and the only evidence, that such Bond has been duly authenticated and delivered hereunder and is entitled to the benefits of this Indenture. Notwithstanding the foregoing, if any Bond shall have been authenticated and delivered hereunder to the Company, or any Person acting on its behalf, but shall never have been issued and sold (or pledged) by the Company, and (a) the Company shall deliver such Bond to the Bond Registrar for cancellation or shall cancel such Bond and deliver evidence of such cancellation to the Trustee, in each case as provided in Section 3.09, and (b) the Company, at its election, shall deliver to the Trustee a written statement (which need not comply with Section 1.02 and need not be accompanied by an Officer's Certificate or an Opinion of Counsel) stating that such Bond has never been issued and sold (or pledged) by the Company, then, for all purposes of this Indenture, such Bond shall be deemed never to have been authenticated and delivered hereunder and shall never be entitled to the benefits hereof.

#### **SECTION 3.04. Temporary Bonds.**

Pending the preparation of certificated Bonds of any series, the Company may execute, and upon Company Order the Trustee shall authenticate and deliver, temporary Bonds which are printed, lithographed, typewritten, mimeographed, photocopied or otherwise produced, in any authorized denomination, substantially of the tenor of the certificated Bonds in lieu of which they are issued, with such appropriate insertions, omissions, substitutions and other variations as the officers executing such Bonds may determine, as evidenced by their execution of such Bonds.

Except as otherwise specified as contemplated by Section 3.01 with respect to the Bonds of any series, or any Tranche thereof, after the preparation of certificated Bonds of such series or Tranche, the temporary Bonds of such series or Tranche shall be exchangeable, without charge to the Holder thereof, for certificated Bonds of such series or Tranche upon surrender of such temporary Bonds at the office or agency of the Company maintained pursuant to Section 7.02 in a Place of Payment for such Bonds. Upon such surrender of temporary Bonds, the Company shall, except as otherwise specified as contemplated by Section 3.01, execute and the Trustee

shall authenticate and deliver in exchange therefor certificated Bonds of the same series and Tranche, of authorized denominations and of like tenor and aggregate principal amount.

Until exchanged in full as hereinabove provided, temporary Bonds shall in all respects be entitled to the same benefits under this Indenture as definitive Bonds of the same series and of like tenor authenticated and delivered hereunder.

**SECTION 3.05. Registration, Registration of Transfer and Exchange.**

The Company shall cause to be kept in one of the offices designated pursuant to Section 7.02, with respect to the Bonds of each series, or any Tranche thereof, a register (the "Bond Register") in which, subject to such reasonable regulations as it may prescribe, the Company shall provide for the registration of Bonds of such series or Tranche and the registration of transfer thereof. Pursuant to Section 3.01(f), the Company shall designate one Person to maintain the Bond Register for the Bonds of each series, and such Person is referred to herein, with respect to such series, as the "Bond Registrar". Anything herein to the contrary notwithstanding, the Company may designate one or more of its offices as an office in which a Bond Register with respect to the Bonds of one or more series, or any Tranche or Tranches thereof, shall be maintained, and the Company may designate itself the Bond Registrar with respect to one or more of such series. The Bond Register(s) shall be open for inspection by the Trustee and the Company at all reasonable times.

Except as otherwise specified as contemplated by Section 3.01 with respect to the Bonds of any series, or any Tranche thereof, and except as provided below with respect to Global Bonds, upon surrender for registration of transfer of any Bond of such series or Tranche at the office or agency of the Company maintained pursuant to Section 7.02 in a Place of Payment for such series or Tranche, the Company shall execute, and the Trustee shall authenticate and deliver, in the name of the designated transferee or transferees, one or more new Bonds of the same series and Tranche, of authorized denominations and of like tenor and aggregate principal amount.

Except as otherwise specified as contemplated by Section 3.01 with respect to the Bonds of any series, or any Tranche thereof, any Bond of such series or Tranche may be exchanged at the option of the Holder, for one or more new Bonds of the same series and Tranche, of authorized denominations and of like tenor and aggregate principal amount, upon surrender of the Bonds to be exchanged at any such office or agency. Whenever any Bonds are so surrendered for exchange, the Company shall execute, and the Trustee shall authenticate and deliver, the Bonds which the Holder making the exchange is entitled to receive.

All Bonds delivered upon any registration of transfer or exchange of Bonds shall be valid obligations of the Company, evidencing the same obligation, and entitled to the same benefits under this Indenture, as the Bonds surrendered upon such registration of transfer or exchange. Every Bond presented or surrendered for registration of transfer shall be duly endorsed or shall be accompanied by a written instrument of transfer in form satisfactory to the Company, the Trustee or the Bond Registrar, as the case may be, duly executed by the Holder thereof or his attorney duly authorized in writing. Every Bond presented or surrendered for exchange shall (if so required by the Company, the Trustee or the Bond Registrar) be duly endorsed or shall be accompanied by a written instrument of transfer in form satisfactory to the Company, the Trustee

or the Bond Registrar, as the case may be, duly executed by the Holder thereof or such Holder's attorney duly authorized in writing.

Unless otherwise specified as contemplated by Section 3.01 with respect to Bonds of any series, or any Tranche thereof, no service charge shall be made for any registration of transfer or exchange of Bonds, but the Company may require payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in connection with any registration of transfer or exchange of Bonds, other than exchanges pursuant to Section 3.04, 6.06 or 13.06 not involving any transfer.

The Company shall not be required to execute or to provide for the registration of transfer of or the exchange of (a) Bonds of any series, or any Tranche thereof, during a period of fifteen (15) days immediately preceding the date notice is to be given identifying the serial numbers of the Bonds of such series or Tranche called for redemption or (b) any Bond so selected for redemption in whole or in part, except the unredeemed portion of any Bond being redeemed in part.

Notwithstanding any other provision of this Section, unless and until it is exchanged in whole or in part for Bonds in certificated form, a Global Bond representing all or a portion of the Bonds of a series, or Tranche thereof, may not be transferred except as a whole by the Depositary for such series or Tranche to a nominee of such Depositary or by a nominee of such Depositary to such Depositary or another nominee of such Depositary or by such Depositary or any such nominee to a successor Depositary for such series, or Tranche thereof, or a nominee of such successor Depositary.

If at any time (i) the Depositary for the Bonds of a series, or a Tranche thereof, notifies the Company that it is unwilling or unable to continue as Depositary for the Bonds of such series or Tranche or that it is no longer eligible under Section 3.13, and in any such case the Company has not appointed a successor Depositary within ninety (90) days after delivery of such notice, (ii) there has occurred and is continuing an Event of Default, or (iii) the Company in its sole discretion determines that the Bonds of any series, or any Tranche thereof, issued in the form of one or more Global Bonds shall no longer be represented by such Global Bond or Bonds, then in each such event the Company will execute, and the Trustee, upon receipt of a Company Order for the authentication and delivery of certificated Bonds of such series or Tranche, will authenticate and deliver, Bonds of such series in certificated form and in an aggregate principal amount equal to the principal amount of the Global Bond or Bonds representing such series or Tranche in exchange for such Global Bond or Bonds.

In addition, if specified by the Company pursuant to Section 3.01 with respect to a series of Bonds, or Tranche thereof, the Depositary for such series of Bonds may surrender a Global Bond for such series or Tranche of Bonds in exchange in whole or in part for Bonds of such series or Tranche in certificated form on such terms as are acceptable to the Company and such Depositary. Thereupon, the Company shall authenticate and deliver, without charge:

(i) to each Person specified by such Depositary a new Bond or Bonds of the same series or Tranche, of any authorized denomination as requested by such Person in aggregate principal amount equal to and in exchange for such Person's beneficial interest in the Global Bonds; and

(ii) to such Depositary a new Global Bond in a denomination equal to the difference, if any, between the principal amount of the surrendered Global Bond and the aggregate principal amount of Bonds delivered to Holders thereof.

Bonds issued in exchange for a Global Bond pursuant to this Section shall be registered in such names and in such authorized denominations as the Depositary for such Global Bond, pursuant to instructions from its direct or indirect participants or otherwise, shall instruct the Trustee. The Trustee shall deliver such Bonds to the Persons in whose names such Bonds are so registered.

**SECTION 3.06. Mutilated, Destroyed, Lost and Stolen Bonds.**

If any mutilated Bond is surrendered to the Trustee, the Company shall execute and the Trustee shall authenticate and deliver in exchange therefor a new Bond of the same series, and of like tenor and principal amount and bearing a number not contemporaneously outstanding.

If there shall be delivered to the Company and the Trustee (a) evidence to their satisfaction of the ownership of and the destruction, loss or theft of any Bond and (b) such security or indemnity as may be reasonably required by them to save each of them and any agent of either of them harmless, then, in the absence of notice to the Company or the Trustee that such Bond is held by a protected purchaser, the Company shall execute and the Trustee shall authenticate and deliver, in lieu of any such destroyed, lost or stolen Bond, a new Bond of the same series, and of like tenor and principal amount and bearing a number not contemporaneously outstanding.

Notwithstanding the foregoing, in case any such mutilated, destroyed, lost or stolen Bond has become or is about to become due and payable, the Company in its discretion may, but subject to compliance with the foregoing conditions, instead of issuing a new Bond, pay such Bond.

Upon the issuance of any new Bond under this Section, the Company may require the payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in relation thereto and any other reasonable expenses (including the fees and expenses of the Trustee) connected therewith.

Every new Bond of any series issued pursuant to this Section in lieu of any destroyed, lost or stolen Bond shall constitute an additional contractual obligation of the Company, whether or not the destroyed, lost or stolen Bond shall be at any time enforceable by anyone other than the Holder of such new Bond, and any such new Bond shall be entitled to all the benefits of this Indenture equally and proportionately with any and all other Bonds of such series duly issued hereunder.

The provisions of this Section are exclusive and shall preclude (to the extent lawful) all other rights and remedies with respect to the replacement or payment of mutilated, destroyed, lost or stolen Bonds.

**SECTION 3.07. Payment of Interest; Interest Rights Preserved.**

Unless otherwise specified as contemplated by Section 3.01 with respect to the Bonds of any series, or any Tranche thereof, interest on any Bond which is payable, and is punctually paid or duly provided for, on any Interest Payment Date shall be paid to the Person in whose name that Bond (or one or more Predecessor Bonds) is registered at the close of business on the Regular Record Date for such interest, except that, unless otherwise provided in the Bonds of such series, interest payable on the Stated Maturity of the principal of a Bond shall be paid to the Person to whom principal is paid. The initial payment of interest on any Bond of any series which is issued between a Regular Record Date and the related Interest Payment Date shall be payable as provided in such Bond or in a Board Resolution, Officer's Certificate or supplemental indenture pursuant to Section 3.01 with respect to the related series of Bonds. Except in the case of a Global Bond at the option of the Company, interest on any series of Bonds may be paid by (i) check mailed to the address of the Person entitled thereto as it shall appear on the Bond Register of such series or (ii) wire transfer in immediately available funds at such place and to such account as designated in writing by the Person entitled thereto as specified in the Bond Register of such series.

Any interest on any Bond of any series which is payable, but is not punctually paid or duly provided for, on any Interest Payment Date (herein called "Defaulted Interest") shall forthwith cease to be payable to the Holder on the related Regular Record Date by virtue of having been such Holder, and such Defaulted Interest may be paid by the Company, at its election in each case, as provided in clause (a) or (b) below:

(a) The Company may elect to make payment of any Defaulted Interest to the Persons in whose names the Bonds of such series (or their respective Predecessor Bonds) are registered at the close of business on a date (herein called a "Special Record Date") for the payment of such Defaulted Interest, which shall be fixed in the following manner. The Company shall notify the Trustee in writing of the amount of Defaulted Interest proposed to be paid on each Bond of such series and the date of the proposed payment, and at the same time the Company shall deposit with the Trustee an amount of money equal to the aggregate amount proposed to be paid in respect of such Defaulted Interest or shall make arrangements satisfactory to the Trustee for such deposit on or prior to the date of the proposed payment, such money when deposited to be held in trust for the benefit of the Persons entitled to such Defaulted Interest as in this clause provided. Thereupon the Trustee shall fix a Special Record Date for the payment of such Defaulted Interest which shall be not more than thirty (30) days and not less than ten (10) days prior to the date of the proposed payment and not less than twenty-five (25) days after the receipt by the Trustee of the notice of the proposed payment. The Trustee shall promptly notify the Company of such Special Record Date and, in the name and at the expense of the Company, shall, not less than fifteen (15) days prior to such Special Record Date, cause notice of the proposed payment of such Defaulted Interest and the Special Record Date therefor to be given to each Holder of Bonds of such series. Notice of the proposed payment of such Defaulted Interest and the Special Record Date therefor having been so mailed, such Defaulted Interest shall be paid to the Persons in whose names the Bonds of such series (or their respective Predecessor Bonds) are registered at the close of business on such Special Record Date.

(b) The Company may make payment of any Defaulted Interest on the Bonds of any series in any other lawful manner not inconsistent with the requirements of any securities exchange on which such Bonds may be listed, and upon such notice as may be required by such exchange, if, after notice given by the Company to the Trustee of the proposed payment pursuant to this clause, such manner of payment shall be deemed practicable by the Trustee.

Subject to the foregoing provisions of this Section and Section 3.05, each Bond delivered under this Indenture upon registration of transfer of or in exchange for or in lieu of any other Bond shall carry the rights to interest accrued and unpaid, and to accrue, which were carried by such other Bond.

**SECTION 3.08. Persons Deemed Owners.**

The Company, the Trustee and any agent of the Company or the Trustee may treat the Person in whose name any Bond is registered as the absolute owner of such Bond for the purpose of receiving payment of principal of and premium, if any, and (subject to Section 3.07) interest, if any, on such Bond and for all other purposes whatsoever, whether or not such Bond be overdue, and neither the Company, the Trustee nor any agent of the Company or the Trustee shall be affected by notice to the contrary.

**SECTION 3.09. Cancellation by Bond Registrar.**

All Bonds surrendered for payment, redemption, registration of transfer or exchange shall, if surrendered to any Person other than the Bond Registrar, be delivered to the Bond Registrar and, if not theretofore canceled, shall be promptly canceled by the Bond Registrar. The Company may at any time deliver to the Bond Registrar for cancellation any Bonds previously authenticated and delivered hereunder which the Company may have acquired in any manner whatsoever or which the Company shall not have issued and sold (or pledged), and all Bonds so delivered shall be promptly canceled by the Bond Registrar. No Bonds shall be authenticated in lieu of or in exchange for any Bonds canceled as provided in this Section, except as expressly permitted by this Indenture. All canceled Bonds held by the Bond Registrar shall be disposed of in accordance with the Bond Registrar's then customary practice for disposing of securities, unless otherwise directed by a Company Order.

**SECTION 3.10. Computation of Interest.**

Except as otherwise specified as contemplated by Section 3.01 for Bonds of any series, or any Tranche thereof, interest on the Bonds of each series shall be computed on the basis of a three hundred sixty (360) day year consisting of twelve (12) thirty (30) day months and, with respect to any period less than a full calendar month, on the basis of the actual number of days elapsed during such period.

**SECTION 3.11. Payment to Be in Proper Currency.**

In the case of the Bonds of any series, or any Tranche thereof, denominated in any currency other than Dollars or in a composite currency (the "Required Currency"), except as otherwise specified with respect to such Bonds as contemplated by Section 3.01, the obligation of the Company to make any payment of the principal thereof, or the premium, if any, or interest, if

any, thereon, shall not be discharged or satisfied by any tender by the Company in any currency other than the Required Currency, except to the extent that such tender shall result in the applicable paying agent timely holding the full amount of the Required Currency then due and payable. If any such tender is in a currency other than the Required Currency, an exchange rate agent appointed by the Company may take such actions as it considers appropriate to exchange such currency for the Required Currency. The costs and risks of any such exchange, including without limitation the risks of delay and exchange rate fluctuation, shall be borne by the Company, the Company shall remain fully liable for any shortfall or delinquency in the full amount of Required Currency then due and payable.

#### **SECTION 3.12. CUSIP Numbers.**

The Company, in issuing the Bonds, may use "CUSIP" or other similar numbers (if then generally in use), and, if so, the Trustee or Bond Registrar may use CUSIP or such other numbers in notices of redemption as a convenience to Holders; provided that any such notice may state that no representation is made as to the correctness of such numbers either as printed on the Bonds or as contained in any notice of a redemption and that reliance may be placed only on the other identification numbers printed on the Bonds, in which case none of the Company or, as the case may be, the Trustee or the Bond Registrar, or any agent of any of them, shall have any liability in respect of any CUSIP number used on any such notice, and any such redemption shall not be affected by any defect in or omission of such numbers. The Company will promptly notify the Trustee of any change in the CUSIP numbers.

#### **SECTION 3.13. Global Bonds.**

If the Company shall establish pursuant to Section 3.01(q) that the Bonds of a series, or a Tranche thereof, are to be issued in whole or in part in the form of one or more Global Bonds, then the Company shall execute and the Trustee shall, in accordance with this Section and the Company Order with respect to such series, authenticate and deliver one or more Global Bonds in temporary or permanent form that (i) shall represent and shall be denominated in an aggregate amount equal to the aggregate principal amount of the Outstanding Bonds of such series to be represented by one or more Global Bonds, (ii) shall be registered in the name of the Depositary for such Global Bond or Bonds or the nominee of such Depositary, (iii) shall be delivered by the Trustee to such Depositary or pursuant to such Depositary's instruction or held by the Trustee as custodian for the Depositary, and (iv) shall bear a legend substantially to the following effect: "Unless and until it is exchanged in whole or in part for Bonds in certificated form, this Bond may not be transferred except as a whole by the Depositary to a nominee of the Depositary or by a nominee of the Depositary to the Depositary or another nominee of the Depositary or by the Depositary or any such nominee to a successor Depositary or a nominee of such successor Depositary."

The Company may at any time designate another Person to act as Depositary in place of the Person designated pursuant to Section 3.01(q). Each Depositary designated pursuant to Section 3.01(q) or otherwise for a Global Bond must, at the time of its designation and at all times while it serves as Depositary, be a clearing agency registered under the Exchange Act and any other applicable statute or regulation.

None of the Company, the Trustee, any Paying Agent or any Bond Registrar will have any responsibility or liability for any aspect of Depositary records relating to, or payments made on account of, beneficial ownership interests in a Global Bond or for maintaining, supervising or reviewing any Depositary records relating to such beneficial ownership interests, or for transfers of beneficial interests in the Bonds or any transactions between the Depositary and beneficial owners.

**SECTION 3.14. Reserved.**

**ARTICLE IV**

**[RESERVED.]**

**ARTICLE V**

**ISSUANCE OF BONDS**

**SECTION 5.01. General.**

The Trustee shall authenticate and deliver Bonds of a series, for original issue, at one time or from time to time in accordance with the Company Order referred to below, upon receipt by the Trustee of:

(a) the instrument or instruments establishing the form or forms and terms of such series, as provided in Sections 2.01 and 3.01;

(b) a Company Order requesting the authentication and delivery of such Bonds and, to the extent that the terms of such Bonds shall not have been established in an indenture supplemental hereto or in a Board Resolution, or in an Officer's Certificate pursuant to a supplemental indenture or Board Resolution, all as contemplated by Section 3.01, either (i) establishing such terms or (ii) in the case of Bonds of a series subject to a Periodic Offering, specifying procedures by which such terms are to be established (which procedures may provide for authentication and delivery pursuant to oral or electronic instructions from the Company or any agent or agents thereof, which oral instructions are to be promptly confirmed electronically or in writing), in either case in accordance with the instrument or instruments delivered pursuant to clause (a) above;

(c) the Bonds of such series, executed on behalf of the Company by an officer specified in Section 3.03;

(d) an Opinion of Counsel to the effect that:

(i) the form or forms of such Bonds have been duly authorized by the Company and have been established in conformity with the provisions of this Indenture;

(ii) the terms of such Bonds have been duly authorized by the Company and have been established in conformity with the provisions of this Indenture; and

(iii) when such Bonds shall have been authenticated and delivered by the Trustee and issued and delivered by the Company in the manner and subject to any conditions specified in such Opinion of Counsel, such Bonds will constitute valid obligations of the Company, entitled to the benefits of this Indenture, equally and ratably with all other Outstanding Bonds without any priority of any one Bond over any other Bond;

provided, however, that, with respect to Bonds of a series subject to a Periodic Offering, the Trustee shall be entitled to receive such Opinion of Counsel only once at or prior to the time of the first authentication and delivery of such Bonds (provided that such Opinion of Counsel addresses the authentication and delivery of all such Bonds) and that, in lieu of the opinions described in clauses (ii) and (iii) above, counsel may opine that:

(x) when the terms of such Bonds shall have been established pursuant to a Company Order or Orders or pursuant to such procedures as may be specified from time to time by a Company Order or Orders, all as contemplated by and in accordance with the instrument or instruments delivered pursuant to clause (a) above, such terms will have been duly authorized by the Company and will have been established in conformity with the provisions of this Indenture; and

(y) when such Bonds shall have been authenticated and delivered by the Trustee in accordance with this Indenture and the Company Order or Orders or the specified procedures referred to in paragraph (x) above and issued and delivered by the Company in the manner and subject to any conditions specified in such Opinion of Counsel, such Bonds will constitute valid obligations of the Company, entitled to the benefits of this Indenture, equally and ratably with all other Outstanding Bonds without any priority of any one Bond over any other Bond;

(e) an Officer's Certificate to the effect that, to the knowledge of the signer, no Event of Default has occurred and is continuing; provided, however, that with respect to Bonds of a series subject to a Periodic Offering, either (i) such an Officer's Certificate shall be delivered at the time of the authentication and delivery of each Bond of such series or (ii) the Officer's Certificate delivered at or prior to the time of the first authentication and delivery of the Bonds of such series shall state that the statements therein shall be deemed to be made at the time of each, or each subsequent, authentication and delivery of Bonds of such series.

With respect to Bonds of a series subject to a Periodic Offering, the Trustee may conclusively rely, as to the authorization by the Company of any of such Bonds, the forms and terms thereof, the validity thereof and the compliance of the authentication and delivery thereof with the terms and conditions of this Indenture, upon the Opinion or Opinions of Counsel and the certificates and other documents delivered pursuant to this Article V at or prior to the time of the first authentication and delivery of Bonds of such series until (i) such time as the Trustee has received written notice that any of such opinions, certificates or other documents have been superseded or revoked or (ii) such opinions, certificates or other documents expire by their terms. In connection with the authentication and delivery of Bonds of a series subject to a Periodic Offering, the Trustee shall be entitled to assume that the Company's instructions to authenticate and deliver such Bonds do not violate any applicable law or any applicable rule, regulation or order of any Governmental Authority having jurisdiction over the Company.

**ARTICLE VI**  
**REDEMPTION OF BONDS**

**SECTION 6.01. Applicability of Article.**

Bonds of any series, or any Tranche thereof, which are redeemable before their Stated Maturity shall be redeemable in accordance with their terms and (except as otherwise specified as contemplated by Section 3.01 for Bonds of such series or Tranche) in accordance with this Article.

**SECTION 6.02. Election to Redeem; Notice to Trustee.**

The election of the Company to redeem any Bonds shall be evidenced by a Board Resolution or an Officer's Certificate. If the Company elects to redeem a Bond pursuant to its terms, the Company shall, at least fifteen (15) days prior to the Redemption Date fixed by the Company (unless a shorter notice shall be satisfactory to the Trustee), notify the Trustee in writing of such Redemption Date and of the principal amount of such Bonds to be redeemed. In the case of any redemption of Bonds (a) prior to the expiration of any restriction on such redemption provided in the terms of such Bonds or elsewhere in this Indenture or (b) pursuant to an election of the Company which is subject to a condition specified in the terms of such Bonds, the Company shall furnish the Trustee with an Officer's Certificate evidencing compliance with such restriction or condition.

**SECTION 6.03. Selection of Bonds to Be Redeemed.**

If less than all the Bonds of any series, or any Tranche thereof, are to be redeemed, the particular Bonds to be redeemed shall be selected by the Bond Registrar from the Outstanding Bonds of such series or Tranche not previously called for redemption, by such method as shall be provided for any particular series or Tranche, or, in the absence of any such provision, by such method of random selection as the Bond Registrar shall deem fair and appropriate and which may, in any case, provide for the selection for redemption of portions (equal to the minimum authorized denomination for Bonds of such series or Tranche or any integral multiple thereof) of the principal amount of Bonds of such series or Tranche having a denomination larger than the minimum authorized denomination for Bonds of such series or Tranche; provided, however, that if, as indicated in an Officer's Certificate, the Company shall have offered to purchase all or any principal amount of the Bonds then Outstanding of any series, or any Tranche thereof, and less than all of such Bonds as to which such offer was made shall have been tendered to the Company for such purchase, the Bond Registrar, if so directed by Company Order, shall select for redemption all or any principal amount of such Bonds which have not been so tendered; provided, further, that with respect to Global Bonds, the Bonds to be redeemed shall be selected in accordance with the procedures of the Depositary.

Except in the case of Global Bonds, the Bond Registrar shall promptly notify the Company and the Trustee in writing of the Bonds selected for redemption and, in the case of any Bonds selected to be redeemed in part, the principal amount thereof to be redeemed.

For all purposes of this Indenture, unless the context otherwise requires, all provisions relating to the redemption of Bonds shall relate, in the case of any Bonds redeemed or to be redeemed only in part, to the portion of the principal amount of such Bonds which has been or is to be redeemed.

#### **SECTION 6.04. Notice of Redemption.**

Unless otherwise specified with respect to any series of Bonds, or any Tranche thereof, in accordance with Section 3.01, notice of redemption shall be given in the manner provided in Section 1.06 to the Holders of the Bonds to be redeemed not less than ten (10) nor more than sixty (60) days prior to the Redemption Date in the manner set forth below and by e-mail to the Depositary.

All notices of redemption shall state:

- (a) the Redemption Date,
- (b) the Redemption Price; *provided, however*, that such notice need not state the dollar amount of the Redemption Price if such dollar amount has not been determined as of the date of such notice,
- (c) if less than all the Bonds of any series or Tranche are to be redeemed, the identification of the particular Bonds to be redeemed and the portion of the principal amount of any Bond to be redeemed in part,
- (d) that on the Redemption Date, the Redemption Price, together with accrued interest, if any, to the Redemption Date, will become due and payable upon each such Bond to be redeemed and, if applicable, that interest thereon will cease to accrue on and after said date; provided, that if a conditional notice shall be given, other appropriate language shall be inserted indicating the conditional nature of the redemption,
- (e) the place or places where such Bonds are to be surrendered for payment of the Redemption Price and accrued interest, if any, unless it shall have been specified as contemplated by Section 3.01 with respect to such Bonds that such surrender shall not be required,
- (f) that the redemption is for a sinking or other fund, if such is the case, and
- (g) such other matters as the Company shall deem desirable or appropriate.

Unless otherwise specified with respect to any series of Bonds, or any Tranche thereof, in accordance with Section 3.01, with respect to any redemption of Bonds at the election of the Company or any redemption which is contingent on the occurrence or nonoccurrence of an event or condition which cannot be ascertained prior to the time a redemption notice is required to be

given hereunder, such notice may state that such redemption shall be conditional upon receipt by the Trustee or the Paying Agent or Agents for such Bonds, on or prior to the date fixed for such redemption, of money sufficient to pay the Redemption Price of such Bonds and accrued interest, if any, thereon to the Redemption Date (or direction from the Company to apply such money for the payment of such Bonds, if such money shall have been deposited with the Trustee or Paying Agent or Agents upon the condition that the Trustee or Paying Agent or Agents will apply such money only at the direction of the Company) and that if such money shall not have been so received (or if such money shall have been received but the Trustee or the Paying Agent or Agents have been directed by the Company not to apply such money to redeem such Bonds) such notice shall be of no force or effect and the Company shall not be required to redeem such Bonds; provided, however, that conditional notice shall not be given if upon the giving of notice, such Bonds shall be deemed to have been paid in accordance with Section 8.01. In the event that such notice of redemption contains such a condition and such money is not so received, or the Trustee or Paying Agent or Agents have been directed by the Company not to apply such money to the redemption of such Bonds, the redemption shall not be made, and within a reasonable time thereafter notice shall be given, in the manner in which the notice of redemption was given, that such money was not so received or that the Trustee or Paying Agent or Agents have been directed by the Company not to redeem such Bonds and such redemption was not required to be made, and the Trustee or Paying Agent or Agents for the Bonds otherwise to have been redeemed shall promptly return to the Holders thereof any of such Bonds which had been surrendered for payment upon such redemption.

Notice of redemption of Bonds to be redeemed at the election of the Company, and any notice of non-satisfaction of a condition for redemption as aforesaid, shall be given by the Company or, at the Company's request, by the Bond Registrar in the name and at the expense of the Company. Notice of mandatory redemption of Bonds shall be given by the Bond Registrar in the name and at the expense of the Company.

**SECTION 6.05. Bonds Payable on Redemption Date.**

Notice of redemption having been given as aforesaid, and the conditions, if any, set forth in such notice having been satisfied, the Bonds or portions thereof so to be redeemed shall, on the Redemption Date, become due and payable at the Redemption Price therein specified, and from and after such date (unless, in the case of an unconditional notice of redemption, the Company shall default in the payment of the Redemption Price and accrued interest, if any) such Bonds or portions thereof, if interest-bearing, shall cease to bear interest. Upon surrender of any such Bond for redemption in accordance with such notice, such Bond or portion thereof shall be paid by the Company at the Redemption Price, together with accrued interest, if any, to the Redemption Date; provided, however, that no such surrender shall be a condition to such payment if so specified as contemplated by Section 3.01 with respect to such Bond; and provided, further, that, except as otherwise specified as contemplated by Section 3.01 with respect to such Bond, any installment of interest on any Bond the Stated Maturity of which installment is on or prior to the Redemption Date shall be payable to the Holder of such Bond, or one or more Predecessor Bonds, registered as such at the close of business on the related Regular Record Date according to the terms of such Bond and subject to the provisions of Section 3.07.

**SECTION 6.06. Bonds Redeemed in Part.**

Upon the surrender of any Bond which is to be redeemed only in part at a Place of Payment therefor (with, if the Company or the Trustee so requires, due endorsement by, or a written instrument of transfer in form satisfactory to the Company and the Trustee duly executed by, the Holder thereof or his attorney duly authorized in writing), the Company shall execute, and the Trustee shall authenticate and deliver to the Holder of such Bond, without service charge, a new Bond or Bonds of the same series and Tranche, of any authorized denomination requested by such Holder and of like tenor and in aggregate principal amount equal to and in exchange for the unredeemed portion of the principal of the Bond so surrendered.

**ARTICLE VII**

**COVENANTS**

**SECTION 7.01. Payment of Bonds.**

The Company shall pay the principal of and premium, if any, and interest, if any, on the Bonds of each series in accordance with the terms of such Bonds and the Indenture.

**SECTION 7.02. Maintenance of Office or Agency.**

The Company shall maintain in each Place of Payment for the Bonds of each series, or any Tranche thereof, an office or agency where payment of such Bonds shall be made, and where the registration of transfer or exchange of such Bonds may be effected and where notices and demands to or upon the Company in respect of such Bonds and this Indenture may be served. The Company shall give prompt written notice to the Trustee of the location, and any change in the location, of each such office or agency. If at any time the Company shall fail to maintain any such required office or agency in respect of Bonds of any series, or any Tranche thereof, or shall fail to furnish the Trustee with the address thereof, payment of such Bonds shall be made, registration of transfer or exchange thereof may be effected and notices and demands in respect thereof may be served at the Corporate Trust Office of the Trustee, and the Company hereby appoints the Trustee as its agent for all such purposes in any such event.

The Company may also from time to time designate one or more other offices or agencies with respect to the Bonds of one or more series, or any Tranche thereof, for any or all of the foregoing purposes and may from time to time rescind such designations; provided, however, that no such designation or rescission shall in any manner relieve the Company of its obligation to maintain an office or agency for such purposes. The Company shall give prompt written notice to the Trustee of any such designation or rescission and of any change in the location of any such other office or agency.

Anything herein to the contrary notwithstanding, any office or agency required by this Section may be maintained at an office of the Company, in which event the Company shall perform all functions to be performed at such office or agency.

**SECTION 7.03. Money for Bond Payments to Be Held in Trust.**

If the Company shall at any time act as its own Paying Agent with respect to the Bonds of any series, or any Tranche thereof, it shall, on or before each due date of the principal of and premium, if any, and interest, if any, on any of such Bonds, segregate and hold in trust for the benefit of the Persons entitled thereto a sum sufficient to pay the principal and premium or interest so becoming due until such sums shall be paid to such Persons or otherwise disposed of as herein provided. The Company shall promptly notify the Trustee of any failure by the Company (or any other obligor on such Bonds) to make any payment of principal of or premium, if any, or interest, if any, on such Bonds.

Whenever the Company shall have one or more Paying Agents for the Bonds of any series, or any Tranche thereof, it shall, on or before each due date of the principal of and premium, if any, and interest, if any, on such Bonds, deposit with such Paying Agents sums sufficient (without duplication) to pay the principal and premium or interest so becoming due, such sums to be held in trust for the benefit of the Persons entitled to such principal, premium or interest, and (unless such Paying Agent is the Trustee) the Company shall promptly notify the Trustee of any failure by it so to act.

Upon their appointment as Paying Agent, the Company shall cause each Paying Agent for the Bonds of any series, or any Tranche thereof, other than the Company or the Trustee, to execute and deliver to the Trustee an instrument in which such Paying Agent shall agree with the Trustee, subject to the provisions of this Section, that such Paying Agent shall:

(a) hold all sums held by it for the payment of the principal of and premium, if any, or interest, if any, on such Bonds in trust for the benefit of the Persons entitled thereto until such sums shall be paid to such Persons or otherwise disposed of as herein provided;

(b) give the Trustee notice of any failure by the Company (or any other obligor upon such Bonds) to make any payment of principal of or premium, if any, or interest, if any, on such Bonds; and

(c) at any time during the continuance of any such failure, upon the written request of the Trustee, forthwith pay to the Trustee all sums so held in trust by such Paying Agent and furnish to the Trustee such information as it possesses regarding the names and addresses of the Persons entitled to such sums.

The Company may at any time pay, or by Company Order direct any Paying Agent to pay, to the Trustee all sums held in trust by the Company or such Paying Agent, such sums to be held by the Trustee upon the same trusts as those upon which such sums were held by the Company or such Paying Agent and, if so stated in a Company Order delivered to the Trustee, in accordance with the provisions of Article VIII; and, upon such payment by any Paying Agent to the Trustee, such Paying Agent shall be released from all further liability with respect to such money.

Unless otherwise prescribed by applicable law, any money deposited with the Trustee or any Paying Agent, or then held by the Company, in trust for the payment of the principal of and premium, if any, or interest, if any, on any Bond and remaining unclaimed for two years after such principal and premium, if any, or interest, if any, has become due and payable shall be paid

to the Company on Company Request, or, if then held by the Company, shall be discharged from such trust without further action by the Company, Trustee or any Paying Agent; and, upon such payment or discharge, the Holder of such Bond shall, as an unsecured general creditor and not as the Holder of an Outstanding Bond, look only to the Company for payment of the amount so due and payable and remaining unpaid, and all liability of the Trustee or such Paying Agent with respect to such trust money, and all liability of the Company as trustee thereof, shall thereupon cease; provided, however, that the Trustee or such Paying Agent, before being required to make any such payment to the Company, shall, upon receipt of a Company Request and at the expense of the Company, cause to be mailed, on one occasion only, notice to such Holder that such money remains unclaimed and that, after a date specified therein, which shall not be less than thirty (30) days from the date of such mailing, any unclaimed balance of such money then remaining will be paid to the Company.

#### **SECTION 7.04. Corporate Existence.**

Subject to the rights of the Company under Article XII, the Company shall do or cause to be done all things necessary to preserve and keep its corporate existence in full force and effect.

#### **SECTION 7.05. Waiver of Certain Covenants.**

The Company may omit in any particular instance to comply with any term, provision or condition set forth in

(a) any covenant or restriction specified with respect to the Bonds of any one or more series, or any one or more Tranches thereof, as contemplated by Section 3.01 if before the time for such compliance the Holders of not less than a majority in aggregate principal amount of the Outstanding Bonds of all series and Tranches with respect to which compliance with such covenant or restriction is to be omitted, considered as one class, shall, by Act of such Holders, either waive such compliance in such instance or generally waive compliance with such term, provision or condition; provided, however, that no such waiver shall be effective as to any of the matters contemplated in clause (a), (b) or (c) in Section 13.02 without the consent of the Holders specified in such Section; and

(b) Section 7.04 or 7.07 or Article XII if, before the time for such compliance, the Holders of not less than a majority in principal amount of Bonds Outstanding under this Indenture shall, by Act of such Holders, either waive such compliance in such instance or generally waive compliance with such term, provision or condition;

but, in either case, no such waiver shall extend to or affect such term, provision or condition except to the extent so expressly waived, and, until such waiver shall become effective, the obligations of the Company and the duties of the Trustee in respect of any such term, provision or condition shall remain in full force and effect.

#### **SECTION 7.06. Annual Officer's Certificate as to Compliance.**

Not later than June 1 in each year, commencing June 1, 2019, the Company shall deliver to the Trustee a certificate (which need not comply with Section 1.02) executed by the principal executive officer, the principal financial officer or the principal accounting officer of the

Company, as to such officer's knowledge of the Company's compliance with all conditions and covenants under this Indenture, such compliance to be determined without regard to any period of grace or requirement of notice under this Indenture.

**SECTION 7.07. Limitation on Liens.**

(a) The Company will not, nor will it permit any Significant Subsidiary to, (1) issue, incur, assume or permit to exist any Debt, if such Debt is secured by a Lien on any Principal Property (whether such Principal Property was owned at August 6, 2018 or thereafter acquired), unless the Company provides that Outstanding Bonds will be equally and ratably secured by such Liens for as long as any such Debt shall be so secured or (2) incur or permit to exist any Attributable Debt in respect of Principal Property; provided, however, that the foregoing restriction shall not apply to:

(i) any Liens existing on August 6, 2018;

(ii) to the extent the Company or any Significant Subsidiary consolidates with, or merges with or into, another entity, Liens on the property of such entity securing Debt in existence on the date of such consolidation or merger, provided that such Debt and Liens were not created or incurred in anticipation of such consolidation or merger and that such Liens do not extend to or cover any such Principal Property;

(iii) Liens on property acquired after August 6, 2018 and existing at the time of such acquisition, as long as the Lien was not created or incurred in anticipation thereof and does not extend to or cover any other Principal Property;

(iv) Liens of any kind, including purchase money Liens, conditional sales agreements or title retention agreements and similar agreements, upon any property acquired, constructed, developed or improved by the Company or any Significant Subsidiary (whether alone or in association with others) which do not exceed the cost or value of the property acquired, constructed, developed or improved and which are created prior to, at the time of, or within twelve (12) months after such acquisition (or in the case of property constructed, developed or improved, within twelve (12) months after the completion of such construction, development or improvement and commencement of full commercial operation of such property, whichever is later) to secure or provide for the payment of any part of the purchase price or cost thereof; provided that the Liens shall not extend to any Principal Property other than the property so acquired, constructed, developed or improved;

(v) Liens in favor of the United States, any state or any foreign country or any department, agency or instrumentality or political subdivision of any such jurisdiction to secure payments pursuant to any contract or statute or to secure any indebtedness incurred for the purpose of financing all or any part of the purchase price or cost of constructing or improving the property subject to such Lien, including Liens related to governmental obligations the interest on which is tax-exempt under Section 103 of the Internal Revenue Code or any successor section of the Internal Revenue Code;

(vi) Liens in favor of the Company, one or more Significant Subsidiaries of the Company, one or more wholly-owned Subsidiaries of the Company or any of the foregoing combination; and

(vii) replacements, extensions or renewals (or successive replacements, extensions or renewals), in whole or in part, of any Lien, or of any agreement, referred to above in clauses (i) through (vi) inclusive, or replacements, extensions or renewals of the Debt secured thereby (to the extent that the amount of Debt secured by any such Lien is not increased from the amount originally so secured, plus any premium, interest, fee or expenses payable in connection with any replacements, refundings, refinancings, remarketings, extensions or renewals); provided that such replacement, extension or renewal is limited to all or a part of the same property (plus improvements thereon or additions or accessions thereto) that secured the Lien replaced, extended or renewed.

(b) Notwithstanding the restriction in subsection (a) of this Section 7.07, the Company or any Significant Subsidiary may (1) issue, incur or assume Debt secured by a Lien not described in clauses (i) through (vii) of subsection (a) above on any Principal Property owned at August 6, 2018 or thereafter acquired without providing that the Outstanding Bonds be equally and ratably secured with such Lien and (2) issue or permit to exist Attributable Debt in respect of Principal Property, in either case, so long as the aggregate amount of such secured Debt and Attributable Debt, together with the aggregate amount of all other Debt secured by Liens on Principal Property not described in clauses (i) through (vii) of subsection (a) above then outstanding and all other Attributable Debt in respect of Principal Property, does not exceed 10% of the Net Tangible Assets of the Company, as determined by the Company as of a month end not more than 90 days prior to the closing or consummation of the proposed transaction.

(c) For purposes of determining compliance with this Section 7.07, in the event that any Lien at any time meets the criteria of more than one of the categories described in clauses (i) through (vii) above of Section 7.07(a), or is entitled to be created pursuant to Section 7.07(b), the Company will be permitted to classify (and later reclassify) in whole or in part in its sole discretion such Lien in any manner that complies with this Section 7.07.

(d) For purposes of determining compliance with any Dollar-denominated restriction on the incurrence of Debt secured by Liens on Principal Property, the Dollar-equivalent principal amount of Debt denominated in a foreign currency will be calculated based on the relevant currency exchange rate in effect on the date such Debt was incurred, in the case of term Debt, or first committed, in the case of revolving credit Debt; provided that if such Debt is incurred to refinance other Debt denominated in the same foreign currency, and such refinancing would cause the applicable Dollar-denominated restriction to be exceeded if calculated at the relevant currency exchange rate in effect on the date of such refinancing, the Dollar-denominated restriction will be deemed not to have been exceeded so long as the principal amount of the refinancing Debt does not exceed the principal amount of the Debt being refinanced. Notwithstanding any other provision of this Section 7.07, the maximum amount of Debt secured by Liens on Principal Property that the Company or any Significant Subsidiary may incur pursuant to this covenant will not be deemed to be exceeded solely as a result of fluctuations in the exchange rate of currencies.

(e) For purposes of this Section 7.07, "Debt" of a Significant Subsidiary shall mean any debt of such Significant Subsidiary for money borrowed and guarantees by such Significant Subsidiary of debt for money borrowed, but in each case excluding liabilities in respect of Capital Lease Obligations or Swap Agreements.

## ARTICLE VIII SATISFACTION AND DISCHARGE

### SECTION 8.01. Satisfaction and Discharge of Bonds.

Any Bond or Bonds, or any portion of the principal amount thereof, shall be deemed to have been paid and no longer Outstanding for all purposes of this Indenture, and the entire indebtedness of the Company in respect thereof shall be satisfied and discharged, if there shall have been irrevocably deposited with the Trustee or any Paying Agent (other than the Company), in trust:

(a) money in an amount which shall be sufficient, or

(b) in the case of a deposit made prior to the Maturity of such Bonds or portions thereof, Eligible Obligations, which shall not contain provisions permitting the redemption or other prepayment thereof at the option of the issuer thereof, the principal of and the interest on which when due, without any regard to reinvestment thereof, will provide moneys which, together with the money, if any, deposited with or held by the Trustee or such Paying Agent, shall be sufficient, or

(c) a combination of (a) or (b) which shall be sufficient to pay when due the principal of and premium, if any, and interest, if any, due and to become due on such Bonds or portions thereof;

provided, however, that in the case of the provision for payment or redemption of less than all the Bonds of any series or Tranche, such Bonds or portions thereof shall have been selected as provided herein and, in the case of a redemption, the notice requisite to the validity of such redemption shall have been given or irrevocable authority shall have been given by the Company to the Trustee to give such notice, under arrangements satisfactory to the Trustee; and provided, further, that the Company shall have delivered to the Trustee and such Paying Agent:

(x) if such deposit shall have been made prior to the Maturity of such Bonds, a Company Order stating that the money and Eligible Obligations deposited in accordance with this Section shall be held in trust, as provided in Section 8.03;

(y) if Eligible Obligations shall have been deposited, an Opinion of Counsel to the effect that such obligations constitute Eligible Obligations and do not contain provisions permitting the redemption or other prepayment thereof at the option of the issuer thereof, and an opinion of an Independent public Accountant of nationally recognized standing, selected by the Company, to the effect that the other requirements set forth in clause (b) above have been satisfied; and

(z) if such deposit shall have been made prior to the Maturity of such Bonds, an Officer's Certificate stating the Company's intention that, upon delivery of such Officer's Certificate, its

indebtedness in respect of such Bonds or portions thereof will have been satisfied and discharged as contemplated in this Section.

Upon the deposit of money or Eligible Obligations, or both, in accordance with this Section, together with the documents required by clauses (x), (y) and (z) above, as applicable, the Trustee shall, upon Company Request, acknowledge in writing that such Bonds or portions thereof are deemed to have been paid for all purposes of this Indenture and that the entire indebtedness of the Company in respect thereof has been satisfied and discharged as contemplated in this Section. In the event that all of the conditions set forth in the preceding paragraph shall have been satisfied in respect of any Bonds or portions thereof except that, for any reason, the Officer's Certificate specified in clause (z) (if otherwise required) shall not have been delivered, such Bonds or portions thereof shall nevertheless be deemed to have been paid for all purposes of this Indenture, and the Holders of such Bonds or portions thereof shall nevertheless be no longer entitled to the benefits of this Indenture (other than with respect to such deposit) or of any of the covenants of the Company under Article VII (except the covenants contained in Sections 7.02 and 7.03) or any other covenants made in respect of such Bonds or portions thereof as contemplated by Section 3.01, but the indebtedness of the Company in respect of such Bonds or portions thereof shall not be deemed to have been satisfied and discharged prior to Maturity for any other purpose; and, upon Company Request, the Trustee shall acknowledge in writing that such Bonds or portions thereof are deemed to have been paid for all purposes of this Indenture.

If payment at Stated Maturity of less than all of the Bonds of any series, or any Tranche thereof, is to be provided for in the manner and with the effect provided in this Section, such Bonds, or portions of principal amount thereof, shall be selected in the manner specified by Section 6.03 for selection for redemption of less than all the Bonds of a series or Tranche.

In the event that Bonds which shall be deemed to have been paid for purposes of this Indenture, and, if such is the case, in respect of which the Company's indebtedness shall have been satisfied and discharged, all as provided in this Section, do not mature and are not to be redeemed within the sixty (60) day period commencing with the date of the deposit of moneys or Eligible Obligations, as aforesaid, the Company shall, as promptly as practicable, give a notice, in the same manner as a notice of redemption with respect to such Bonds, to the Holders of such Bonds to the effect that such deposit has been made and the effect thereof.

Notwithstanding that any Bonds shall be deemed to have been paid for purposes of this Indenture, as aforesaid, the obligations of the Company and the Trustee in respect of such Bonds under Sections 3.04, 3.05, 3.06, 6.04, 7.02, 7.03, 10.07 and 10.15 and this Article shall survive.

The Company shall pay, and shall indemnify the Trustee or any Paying Agent with which Eligible Obligations shall have been deposited as provided in this Section against, any tax, fee or other charge imposed on or assessed against such Eligible Obligations or the principal or interest received in respect of such Eligible Obligations, including, but not limited to, any such tax payable by any entity deemed, for tax purposes, to have been created as a result of such deposit.

Anything herein to the contrary notwithstanding, (a) if, at any time after a Bond would be deemed to have been paid for purposes of this Indenture, and, if such is the case, the Company's indebtedness in respect thereof would be deemed to have been satisfied and discharged, pursuant

to this Section (without regard to the provisions of this paragraph), the Trustee or any Paying Agent, as the case may be, shall be required to return the money or Eligible Obligations, or combination thereof, deposited with it as aforesaid to the Company or its representative under any applicable federal or state bankruptcy, insolvency or other similar law, such Bond shall thereupon be deemed retroactively not to have been paid and any satisfaction and discharge of the Company's indebtedness in respect thereof shall retroactively be deemed not to have been effected, and such Bond shall be deemed to remain Outstanding and (b) any satisfaction and discharge of the Company's indebtedness in respect of any Bond shall be subject to the provisions of the last paragraph of Section 7.03.

**SECTION 8.02. Satisfaction and Discharge of Indenture.**

This Indenture shall upon Company Request cease to be of further effect (except as hereinafter expressly provided), and the Trustee, at the expense of the Company, shall execute such instruments as the Company shall reasonably request to evidence and acknowledge the satisfaction and discharge of this Indenture, when:

(a) no Bonds remain Outstanding hereunder;

(b) the Company has paid or caused to be paid all other sums payable hereunder by the Company; and

(c) the Company has delivered to the Trustee an Officer's Certificate and an Opinion of Counsel each stating that all conditions precedent herein provided for relating to the satisfaction and discharge of this Indenture have been complied with;

provided, however, that if, in accordance with the last paragraph of Section 8.01, any Bond, previously deemed to have been paid for purposes of this Indenture, shall be deemed retroactively not to have been so paid, this Indenture shall thereupon be deemed retroactively not to have been satisfied and discharged, as aforesaid, and to remain in full force and effect, and the Company shall execute and deliver such instruments as the Trustee shall reasonably request to evidence and acknowledge the same.

Notwithstanding the satisfaction and discharge of this Indenture as aforesaid, the obligations of the Company and the Trustee under Sections 3.04, 3.05, 3.06, 6.04, 7.02, 7.03, 10.07 and 10.15 and this Article shall survive.

Upon satisfaction and discharge of this Indenture as provided in this Section, the Trustee shall execute and deliver to the Company such instruments as, in the judgment of the Company, shall be necessary, desirable or appropriate to effect or evidence the satisfaction and discharge of this Indenture.

**SECTION 8.03. Application of Trust Money.**

Neither the Eligible Obligations nor the money deposited pursuant to Section 8.01, nor the principal or interest payments on any such Eligible Obligations, shall be withdrawn or used for any purpose other than, and shall be held in trust for, the payment of the principal of and premium, if any, and interest, if any, on the Bonds or portions of principal amount thereof in

respect of which such deposit was made, all subject, however, to the provisions of Section 7.03; provided, however, that any cash received from such principal or interest payments on such Eligible Obligations, if not then needed for such purpose, shall, to the extent practicable and upon Company Request and delivery to the Trustee of the documents referred to in subclause (y) of clause (c) in Section 8.01, be invested pursuant to a Company Order in Eligible Obligations designated and selected by the Company of the type described in clause (b) in Section 8.01 maturing at such times and in such amounts as shall be sufficient, together with any other moneys and the proceeds of any other Eligible Obligations then held by the Trustee, to pay when due the principal of and premium, if any, and interest, if any, due and to become due on such Bonds or portions thereof on and prior to the Maturity thereof, and interest earned from such reinvestment shall be paid over to the Company as received; and provided, further, that any moneys held in accordance with this Section on the Maturity of all such Bonds in excess of the amount required to pay the principal of and premium, if any, and interest, if any, then due on such Bonds shall be paid over to the Company.

## ARTICLE IX EVENTS OF DEFAULT; REMEDIES

### SECTION 9.01. Events of Default.

"Event of Default", wherever used herein with respect to the Bonds, means any of the following events which shall have occurred and be continuing:

- (a) the failure to pay interest, if any, on any Bond within thirty (30) days after the same becomes due and payable; or
- (b) the failure to pay the principal of or sinking fund installments, if any, or premium, if any, on any Bond after the same becomes due and payable; or
- (c) the failure to perform or breach of any covenant or warranty of the Company in this Indenture (other than a covenant or warranty a default in the performance of which or breach of which is elsewhere in this Section specifically dealt with) for a period of ninety (90) days after there has been given, by registered or certified mail, return receipt requested, to the Company by the Trustee, or to the Company and the Trustee by the Holders of at least thirty-three percent (33%) in principal amount of the Bonds then Outstanding, a written notice specifying such default or breach and requiring it to be remedied and stating that such notice is a "Notice of Default" hereunder, unless the Trustee is directed by the Holders of a principal amount of Bonds not less than the principal amount of Bonds the Holders of which gave such notice, as the case may be, to agree in writing to an extension of such period prior to its expiration; or
- (d) the entry by a court having jurisdiction in the premises of (i) a decree or order for relief in respect of the Company in an involuntary case or proceeding under any applicable federal or state bankruptcy, insolvency, reorganization or other similar law or (ii) a decree or order adjudging the Company a bankrupt or insolvent, or approving as properly filed a petition by one or more Persons other than the Company seeking reorganization, arrangement, adjustment or composition of or in respect of the Company under any applicable federal or state bankruptcy,

insolvency or other similar law, or appointing a custodian, receiver, liquidator, assignee, trustee, sequestrator or other similar official for the Company or for any substantial part of its property, or ordering the winding up or liquidation of its affairs, and any such decree or order for relief or any such other decree or order shall have remained unstayed and in effect for a period of ninety (90) consecutive days; or

(e) the commencement by the Company of a voluntary case or proceeding under any applicable federal or state bankruptcy, insolvency, reorganization or other similar law or of any other case or proceeding to be adjudicated a bankrupt or insolvent, or the consent by the Company to the entry of a decree or order for relief in respect of the Company in an involuntary case or proceeding under any applicable federal or state bankruptcy, insolvency or other similar law or to the commencement of any bankruptcy or insolvency case or proceeding against the Company, or the filing by the Company of a petition or answer or consent seeking reorganization or relief under any applicable federal or state bankruptcy, insolvency or other similar law, or the consent by the Company to the filing of such petition or to the appointment of or taking possession by a custodian, receiver, liquidator, assignee, trustee, sequestrator or similar official of the Company or of any substantial part of its property, or the making by the Company of a general assignment for the benefit of creditors, or an admission in writing by the Company of its inability to pay its debts generally as they become due; or

(f) the occurrence of any event of default as defined in any mortgage, indenture or instrument under which there may be issued, or by which there may be secured or evidenced, any Debt of the Company, whether such Debt existed on August 6, 2018 or shall thereafter be created, if such event of default:

(i) is caused by a failure to pay principal after final maturity of such Debt after the expiration of the grace period provided in such Debt (a "Payment Default"), or

(ii) results in the acceleration of such Debt prior to its express maturity,

and in each case, the principal amount of any such Debt, together with the principal amount of any other such Debt under which there has been a Payment Default or the maturity of which has been so accelerated, aggregates \$150,000,000 or more.

For purposes of Section 9.01(f), the amount of \$150,000,000 shall be increased in any calendar year subsequent to 2018 by the same percentage increase in the CPI Index for the period commencing January 1, 2018 and ending on January 1 of the applicable calendar year.

#### **SECTION 9.02. Acceleration of Maturity; Rescission and Annulment.**

If an Event of Default shall have occurred and be continuing, then in every such case the Trustee or the Holders of not less than thirty-three percent (33%) in aggregate principal amount of Bonds then Outstanding, considered as one class, may declare the principal amount of all Bonds then Outstanding to be due and payable immediately, by a notice in writing to the Company (and to the Trustee if given by Holders), and upon such declaration such principal amount (or specified amount), together with premium, if any, and accrued interest, if any, thereon, shall become immediately due and payable; provided, however, that with respect to an Event of Default

described in Section 9.01(d) or (e), the principal amount of all Bonds then Outstanding shall be due and payable immediately without further action by the Trustee or Holders.

At any time after such a declaration of acceleration of the Maturity of the Bonds then Outstanding shall have been made, but before a judgment or decree for payment of the money due shall have been obtained by the Trustee as provided in this Article, the Event or Events of Default giving rise to such declaration of acceleration shall, without further act and notwithstanding anything to the contrary in Section 316(a) of the Trust Indenture Act, be deemed to have been waived, and such declaration and its consequences shall, without further act, be deemed to have been rescinded and annulled, if

(a) the Company shall have paid or deposited with the Trustee a sum sufficient to pay

(i) all overdue interest, if any, on all Bonds then Outstanding;

(ii) the principal of and premium, if any, on any Bonds then Outstanding which have become due otherwise than by such declaration of acceleration and interest thereon at the rate or rates prescribed therefor in such Bonds; and

(iii) all amounts due to the Trustee under Section 10.07; and

(b) any other Event or Events of Default, other than the non-payment of the principal of Bonds which shall have become due solely by such declaration of acceleration, shall have been cured or waived as provided in Section 9.13.

No such rescission shall affect any subsequent Event of Default or impair any right consequent thereon.

#### **SECTION 9.03. Collection of Indebtedness and Suits for Enforcement by Trustee.**

If an Event of Default described in clause (a) or (b) of Section 9.01 shall have occurred and be continuing, the Company shall, upon demand of the Trustee, pay to it, for the benefit of the Holders of the Bonds with respect to which such Event of Default shall have occurred, the whole amount then due and payable on such Bonds for principal and premium, if any, and interest, if any, and, in addition thereto, such further amount as shall be sufficient to cover any amounts due to the Trustee under Section 10.07.

If the Company shall fail to pay such amounts forthwith upon such demand, the Trustee, in its own name and as trustee of an express trust, may institute a judicial proceeding for the collection of the sums so due and unpaid, may prosecute such proceeding to judgment or final decree and may enforce the same against the Company or any other obligor upon such Bonds and collect the moneys adjudged or decreed to be payable in the manner provided by law out of the property of the Company or any other obligor upon such Bonds, wherever situated. No recovery of any such judgment by the Trustee shall affect or impair any rights, powers or remedies of the Trustee hereunder, or any rights, powers or remedies of the Holders of the Bonds.

#### **SECTION 9.04. Application of Money Collected.**

Any money collected by the Trustee pursuant to this Article, including amounts collected pursuant to Section 9.03 (after the deductions therein provided) shall be applied in the following order, to the extent permitted by law, at the date or dates fixed by the Trustee and, in case of the distribution of such money on account of principal or premium, if any, or interest, if any, upon presentation of the Bonds and the notation thereon of the payment if only partially paid and upon surrender thereof if fully paid:

First: To the payment of all amounts due the Trustee under Section 10.07;

Second: To the payment of the whole amount then due and unpaid upon the Outstanding Bonds for principal and premium, if any, and interest, if any, in respect of which or for the benefit of which such money has been collected; and in case such proceeds shall be insufficient to pay in full the whole amount so due and unpaid upon such Bonds, then to the payment of such principal and interest, if any, thereon without any preference or priority, ratably according to the aggregate amount so due and unpaid, with any balance then remaining to the payment of premium, if any, and, if so specified as contemplated by Section 3.01 with respect to the Bonds of any series, or any Tranche thereof, interest, if any, on overdue premium, if any, and overdue interest, if any, ratably as aforesaid, all to the extent permitted by applicable law; provided, however, that any money collected by the Trustee pursuant to Section 9.03 shall first be applied to the payment of interest accrued on the principal of Outstanding Bonds; and

Third: To the payment of the remainder, if any, to the Company or to whomsoever may be lawfully entitled to receive the same or as a court of competent jurisdiction may direct.

#### **SECTION 9.05. Trustee May File Proofs of Claim.**

In case of the pendency of any receivership, insolvency, liquidation, bankruptcy, reorganization, arrangement, adjustment, composition or other judicial proceeding relative to the Company or any other obligor upon the Bonds or the property of the Company or of such other obligor or their creditors, the Trustee (irrespective of whether the principal of the Bonds shall then be due and payable as therein expressed or by declaration or otherwise and irrespective of whether the Trustee shall have made any demand on the Company for the payment of overdue principal or interest) shall be entitled and empowered, by intervention in such proceeding or otherwise,

(a) to file and prove a claim for the whole amount of principal, premium, if any, and interest, if any, owing and unpaid in respect of the Bonds and to file such other papers or documents as may be necessary or advisable in order to have the claims of the Trustee (including any claim for amounts due to the Trustee under Section 10.07) and of the Holders allowed in such judicial proceeding, and

(b) to collect and receive any moneys or other property payable or deliverable on any such claims and to distribute the same;

and any custodian, receiver, assignee, trustee, liquidator, sequestrator or other similar official in any such judicial proceeding is hereby authorized by each Holder to make such payments to the

Trustee and, in the event that the Trustee shall consent to the making of such payments directly to the Holders, to pay to the Trustee any amounts due it under Section 10.07.

Nothing herein contained shall be deemed to authorize the Trustee to authorize or consent to or accept or adopt on behalf of any Holder any plan of reorganization, arrangement, adjustment or composition affecting the Bonds or the rights of any Holder thereof or to authorize the Trustee to vote in respect of the claim of any Holder in any such proceeding.

**SECTION 9.06. Trustee May Enforce Claims Without Possession of Bonds.**

All rights of action and claims under this Indenture or on the Bonds may be prosecuted and enforced by the Trustee without the possession of any of the Bonds or the production thereof in any proceeding relating thereto, and any such proceeding instituted by the Trustee shall be brought in its own name as trustee of an express trust, and any recovery of judgment shall, after provision for the payment of the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, be for the ratable benefit of the Holders in respect of which such judgment has been recovered.

**SECTION 9.07. Limitation on Suits.**

No Holder shall have any right to institute any proceeding, judicial or otherwise, with respect to this Indenture, or for the appointment of a receiver or trustee, or for any other remedy hereunder, unless:

- (a) such Holder shall have previously given written notice to the Trustee of a continuing Event of Default;
- (b) the Holders of at least thirty-three percent (33%) in aggregate principal amount of the Bonds then Outstanding shall have made written request to the Trustee to institute proceedings in respect of such Event of Default in its own name as Trustee hereunder;
- (c) such Holder or Holders shall have offered to the Trustee reasonable indemnity against the costs, expenses and liabilities to be incurred in compliance with such request;
- (d) the Trustee for sixty (60) days after its receipt of such notice, request and offer of indemnity shall have failed to institute any such proceeding; and
- (e) no direction inconsistent with such written request shall have been given to the Trustee during such sixty (60) day period by the Holders of at least a majority in aggregate principal amount of the Bonds then Outstanding;

it being understood and intended that no one or more of such Holders shall have any right in any manner whatever by virtue of, or by availing of, any provision of this Indenture to affect, disturb or prejudice the rights of any other of such Holders or to obtain or to seek to obtain priority or preference over any other of such Holders or to enforce any right under this Indenture, except in the manner herein provided and for the equal and ratable benefit of all of such Holders.

**SECTION 9.08. Unconditional Right of Holders to Receive Principal, Premium and Interest.**

Notwithstanding any other provision in this Indenture, the Holder of any Bond shall have the right, which is absolute and unconditional, to receive payment of the principal of and premium, if any, and (subject to Section 3.07) interest, if any, on such Bond on the Stated Maturity or Maturities expressed in such Bond (or, in the case of redemption, on the Redemption Date) and to institute suit for the enforcement of any such payment, and such rights shall not be impaired without the consent of such Holder.

**SECTION 9.09. Restoration of Rights and Remedies.**

If the Trustee or any Holder has instituted any proceeding to enforce any right or remedy under this Indenture and such proceeding shall have been discontinued or abandoned for any reason, or shall have been determined adversely to the Trustee or to such Holder, then and in every such case, subject to any determination in such proceeding, the Company, the Trustee and such Holder shall be restored severally and respectively to their former positions hereunder and thereafter all rights and remedies of the Trustee and such Holder shall continue as though no such proceeding had been instituted.

**SECTION 9.10. Rights and Remedies Cumulative.**

Except as otherwise provided in the last paragraph of Section 3.06, no right or remedy herein conferred upon or reserved to the Trustee or to the Holders is intended to be exclusive of any other right or remedy, and every right and remedy shall, to the extent permitted by law, be cumulative and in addition to every other right and remedy given hereunder or now or hereafter existing at law or in equity or otherwise. The assertion or employment of any right or remedy hereunder, or otherwise, shall not prevent the concurrent assertion or employment of any other appropriate right or remedy.

**SECTION 9.11. Delay or Omission Not Waiver.**

No delay or omission of the Trustee or of any Holder to exercise any right or remedy accruing upon any Event of Default shall impair any such right or remedy or constitute a waiver of any such Event of Default or an acquiescence therein. Every right and remedy given by this Article or by law to the Trustee or to the Holders may be exercised from time to time, and as often as may be deemed expedient, by the Trustee or by the Holders, as the case may be.

**SECTION 9.12. Control by Holders of Bonds.**

If an Event of Default shall have occurred and be continuing, the Holders of not less than a majority in principal amount of the Bonds then Outstanding shall have the right to direct the time, method and place of conducting any proceeding for any remedy available to the Trustee, or exercising any trust or power conferred on the Trustee hereunder; provided, however, that

(a) such direction shall not be in conflict with any rule of law or with this Indenture, and could not involve the Trustee in personal liability in circumstances where indemnity would not, in the Trustee's sole discretion, be adequate, and

(b) the Trustee may take any other action deemed proper by the Trustee which is not inconsistent with such direction.

**SECTION 9.13. Waiver of Past Defaults.**

Before a judgment or decree for payment of the money due shall have been obtained by the Trustee as in this Article provided, the Holders of not less than a majority in principal amount of the Bonds then Outstanding may on behalf of the Holders of all the Bonds then Outstanding waive any past default hereunder and its consequences, except a default

(a) in the payment of the principal of or premium, if any, or interest, if any, on any Bond Outstanding, or

(b) in respect of a covenant or provision hereof which under Section 13.02 cannot be modified or amended without the consent of the Holder of each Outstanding Bond of any series or Tranche affected.

Upon any such waiver, such default shall cease to exist, and any and all Events of Default arising therefrom shall be deemed to have been cured, for every purpose of this Indenture; but no such waiver shall extend to any subsequent or other default or impair any right consequent thereon.

**SECTION 9.14. Undertaking for Costs.**

The Company and the Trustee agree, and each Holder of Bonds by its acceptance thereof shall be deemed to have agreed, that any court may in its discretion require, in any suit for the enforcement of any right or remedy under this Indenture, or in any suit against the Trustee for any action taken, suffered or omitted by it as Trustee, the filing by any party litigant in such suit of an undertaking to pay the costs of such suit, and that such court may in its discretion assess reasonable costs, including reasonable attorneys' fees, against any party litigant in such suit, having due regard to the merits and good faith of the claims or defenses made by such party litigant; but the provisions of this Section shall not apply to any suit instituted by the Company, to any suit instituted by the Trustee, to any suit instituted by any Holder, or group of Holders, holding in the aggregate more than ten percent (10%) in aggregate principal amount of the Bonds then Outstanding, or to any suit instituted by any Holder for the enforcement of the payment of the principal of or premium, if any, or interest, if any, on any Bond on or after the Stated Maturity or Maturities expressed in such Bond (or, in the case of redemption, on or after the Redemption Date).

**SECTION 9.15. Waiver of Stay and Extension Laws.**

The Company covenants (to the extent that it may lawfully do so) that it will not at any time insist upon, or plead, or in any manner whatsoever claim or take the benefit or advantage of, any stay or extension law, now or hereafter in effect, in order to prevent or hinder the enforcement of this Indenture; and the Company, for itself and all who may claim under it, so far as it or they now or hereafter may lawfully do so, hereby waives the benefit of all such laws.

**ARTICLE X**  
**THE TRUSTEE**

**SECTION 10.01. Certain Duties and Responsibilities.**

(a) Except during the continuance of an Event of Default,

(i) the Trustee undertakes to perform such duties and only such duties as are specifically set forth in this Indenture, and no implied covenants or obligations shall be read into this Indenture against the Trustee; and

(ii) in the absence of bad faith on its part, the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Trustee and conforming to the requirements of this Indenture; but in the case of any such certificates or opinions which by any provisions hereof are specifically required to be furnished to the Trustee, the Trustee shall be under a duty to examine the same to determine whether or not they conform to the requirements of this Indenture.

(b) In case an Event of Default shall have occurred and be continuing, the Trustee shall exercise such of the rights and powers vested in it by this Indenture, and use the same degree of care and skill in their exercise, as a prudent person would exercise or use under the circumstances in the conduct of such person's own affairs.

(c) No provision of this Indenture shall be construed to relieve the Trustee from liability for its own negligent action, its own negligent failure to act, or its own willful misconduct or its own bad faith, except that:

(i) this subsection shall not be construed to limit the effect of subsection (a) of this Section;

(ii) the Trustee shall not be liable for any error of judgment made in good faith by a Responsible Officer, unless it shall be proved that the Trustee was negligent in ascertaining the pertinent facts;

(iii) the Trustee shall not be liable with respect to any action taken or omitted to be taken by it in good faith in accordance with the direction of the Holders of a majority in principal amount of the Outstanding Bonds, as provided herein, relating to the time, method and place of conducting any proceeding for any remedy available to the Trustee, or exercising any trust or power conferred upon the Trustee, under this Indenture; and

(iv) no provision of this Indenture shall require the Trustee to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder, or in the exercise of any of its rights or powers, if it shall have reasonable grounds for believing that repayment of such funds or adequate indemnity against such risk or liability is not reasonably assured to it.

(d) Whether or not therein expressly so provided, every provision of this Indenture relating to the conduct or affecting the liability of or affording protection to the Trustee shall be subject to the provisions of this Section.

**SECTION 10.02. Notice of Defaults.**

Within ninety (90) days after the occurrence of any default hereunder of which the Trustee has received written notice, the Trustee shall transmit by mail to all Holders notice of such default hereunder known to the Trustee, unless such default shall have been cured or waived; provided, however, that, except in the case of a default in the payment of the principal of (or premium, if any) or interest, if any, on any Bond, or in the payment of any sinking fund installment with respect to a Bond, the Trustee shall be protected in withholding such notice if and so long as the board of directors, executive committee or a trust committee of directors or a Responsible Officer of the Trustee in good faith determine that the withholding of such notice is in the interest of the Holders; provided, further, that, in the case of any default of the character specified in Section 9.01(c), no such notice to Holders shall be given until at least sixty (60) days after the occurrence thereof. For the purpose of this Section, the term "default" means any event which is, or after notice or lapse of time or both would become, an Event of Default.

The Trustee shall not be deemed to have knowledge of any default hereunder unless and until a Responsible Officer shall have received written notice thereof at its Corporate Trust Office. In the absence of such actual knowledge or notice, the Trustee may conclusively assume that no such default has occurred and is continuing under this Indenture. Except as otherwise expressly provided herein, the Trustee shall not be bound to ascertain or inquire as to the performance or observance of any of the terms, conditions, covenants or agreements herein or of any of the documents executed in connection with Bonds issued hereunder, or as to the existence of a default or Event of Default hereunder.

**SECTION 10.03. Certain Rights of Trustee.**

Subject to the provisions of Section 10.01 and to the applicable provisions of the Trust Indenture Act:

- (a) the Trustee may conclusively rely and shall be fully protected in acting or refraining from acting upon any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, debenture, note, other evidence of indebtedness or other paper or document believed by it to be genuine and to have been signed or presented by the proper party or parties;
- (b) any request or direction of the Company mentioned herein shall be sufficiently evidenced by a Company Request or Company Order, or as otherwise expressly provided herein, and any resolution of the Board of Directors may be sufficiently evidenced by a Board Resolution;
- (c) whenever in the administration of this Indenture the Trustee shall deem it desirable that a matter be proved or established prior to taking, suffering or omitting any action hereunder, the Trustee (unless other evidence is specifically prescribed herein) may, in the absence of bad faith on its part, conclusively rely upon an Officer's Certificate;

(d) the Trustee may consult with counsel and the advice of such counsel or any Opinion of Counsel shall be full and complete authorization and protection in respect of any action taken, suffered or omitted by it hereunder in good faith and in reliance thereon;

(e) the Trustee shall be under no obligation to exercise any of the rights or powers vested in it by this Indenture at the request or direction of any Holder pursuant to this Indenture, unless such Holder shall have offered to the Trustee reasonable security or indemnity against the costs, expenses and liabilities which might be incurred by it in compliance with such request or direction;

(f) the Trustee shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, debenture, note, other evidence of indebtedness or other paper or document, but the Trustee, in its discretion, may make such further inquiry or investigation into such facts or matters as it may see fit, and, if the Trustee shall determine to make such further inquiry or investigation, it shall (subject to applicable legal requirements) be entitled to examine, during normal business hours, the books, records and premises of the Company, personally or by agent or attorney;

(g) the Trustee may execute any of the trusts or powers hereunder or perform any duties hereunder either directly or by or through agents or attorneys and the Trustee shall not be responsible for any misconduct or negligence on the part of any agent or attorney appointed with due care by it hereunder;

(h) in no event shall the Trustee be responsible or liable for any failure or delay in the performance of its obligations hereunder arising out of or caused by, directly or indirectly, forces beyond its control, including, without limitation, strikes, work stoppages, accidents, acts of war or terrorism, civil or military disturbances, nuclear or natural catastrophes or acts of God, and interruptions, loss or malfunctions of utilities, communications or computer (software and hardware) services; it being understood that the Trustee shall use reasonable efforts which are consistent with accepted practices in the banking industry to resume performance as soon as practicable under the circumstances;

(i) the Trustee shall not be liable for any action taken, suffered, or omitted to be taken by it in good faith and reasonably believed by it to be authorized or within the discretion or rights or powers conferred upon it by this Indenture;

(j) in no event shall the Trustee be responsible or liable for special, indirect, punitive or consequential loss or damage of any kind whatsoever (including, but not limited to, loss of profit) irrespective of whether the Trustee has been advised of the likelihood of such loss or damage and regardless of the form of action;

(k) the rights, privileges, protections, immunities and benefits given to the Trustee, including, without limitation, its right to be indemnified, are extended to, and shall be enforceable by, the Trustee in each of its capacities hereunder, and each agent, custodian and other Person employed to act hereunder; and

(l) the Trustee may request that the Company deliver a certificate setting forth the names of individuals and/or titles of officers authorized at such time to take specified actions pursuant to this Indenture.

**SECTION 10.04. Not Responsible for Recitals or Issuance of Bonds or Application of Proceeds.**

The recitals contained herein and in the Bonds (except the Trustee's certificate of authentication on the Bonds) shall be taken as the statements of the Company, and neither the Trustee nor any Authenticating Agent assumes any responsibility for their correctness. The Trustee makes no representations as to the validity or genuineness of any securities at any time deposited with the Trustee hereunder, or as to the validity or sufficiency of this Indenture or of the Bonds. The Trustee shall not be accountable for the use or application by the Company of the Bonds or the proceeds thereof or of any money paid to the Company or upon Company Order under any provision hereof. Neither the Trustee nor any Authenticating Agent shall be accountable for the use or application by the Company of Bonds or the proceeds thereof.

**SECTION 10.05. May Hold Bonds.**

Each of the Trustee, any Authenticating Agent, any Paying Agent, any Bond Registrar or any other agent of the Company or the Trustee, in its individual or any other capacity, may become the owner or pledgee of Bonds and, subject to Sections 10.08 and 10.13, may otherwise deal with the Company with the same rights it would have if it were not such Trustee, Authenticating Agent, Paying Agent, Bond Registrar or other agent.

**SECTION 10.06. Money Held in Trust.**

Money held by the Trustee in trust hereunder need not be segregated from other funds, except to the extent required by law or as otherwise provided in this Indenture. The Trustee shall be under no liability for interest on or investment of any money received by it hereunder (provided that the Trustee has invested such money in accordance with a Company Order) except as expressly provided herein or otherwise agreed with, and for the sole benefit of, the Company.

**SECTION 10.07. Compensation and Reimbursement.**

The Company agrees

(a) to pay to the Trustee from time to time reasonable compensation for all services rendered by it hereunder (which compensation shall not be limited by any provision of law in regard to the compensation of a trustee of an express trust);

(b) except as otherwise expressly provided herein, to reimburse the Trustee upon its request for all reasonable expenses, disbursements and advances incurred or made by the Trustee in accordance with any provision of this Indenture (including the reasonable compensation and the expenses and disbursements of its agents and counsel), except to the extent that any such expense, disbursement or advance may be attributable to its negligence, willful misconduct or bad faith; and

(c) to indemnify the Trustee (which for purposes of this Section shall include its officers, directors, employees and agents) and hold it harmless from and against any loss, liability or expense reasonably incurred without negligence, willful misconduct or bad faith on its part, arising out of or in connection with the acceptance or administration of the trust or trusts hereunder or the exercise or performance of its duties hereunder, including the costs and expenses of defending itself against any claim or liability in connection with the exercise or performance of any of its powers or duties hereunder. "Trustee" for purposes of this Section shall include any predecessor Trustee; provided, however, that the negligence, willful misconduct or bad faith of any Trustee hereunder shall not affect the rights of any other Trustee hereunder.

In addition and without prejudice to the rights provided to the Trustee under any of the provisions of this Indenture, when the Trustee incurs expenses or renders services in connection with an Event of Default specified in Section 9.01(d) or Section 9.01(e), the expenses (including the reasonable charges and expenses of its counsel) and the compensation for the services are intended to constitute expenses of administration under any applicable federal or state bankruptcy, insolvency or other similar law.

The provisions of this Section shall survive the termination of this Indenture and the resignation or removal of the Trustee.

**SECTION 10.08. Disqualification; Conflicting Interests.**

If the Trustee shall have or acquire any conflicting interest within the meaning of the Trust Indenture Act, it shall either eliminate such conflicting interest or resign to the extent, in the manner and with the effect, and subject to the conditions, provided in the Trust Indenture Act and this Indenture. For purposes of Section 310(b)(1) of the Trust Indenture Act and to the extent permitted thereby, the Trustee, in its capacity as trustee in respect of the Bonds of any series, shall not be deemed to have a conflicting interest arising from its capacity as trustee in respect of the Bonds of any other series.

**SECTION 10.09. Corporate Trustee Required; Eligibility.**

There shall at all times be a Trustee hereunder which shall be

(i) a corporation organized and doing business under the laws of the United States, any state or territory thereof or the District of Columbia, authorized under such laws to exercise corporate trust powers, having a combined capital and surplus of at least Fifty Million Dollars (\$50,000,000) and subject to supervision or examination by federal or state authority, or

(ii) if and to the extent permitted by the Commission by rule, regulation or order upon application, a corporation or other Person organized and doing business under the laws of a foreign government, authorized under such laws to exercise corporate trust powers, having a combined capital and surplus of at least Fifty Million Dollars (\$50,000,000) or the Dollar equivalent of the applicable foreign currency and subject to supervision or examination by authority of such foreign government or a political subdivision thereof substantially equivalent to supervision or examination applicable to United States institutional trustees,

and, in either case, qualified and eligible under this Article and the Trust Indenture Act. If such corporation publishes reports of condition at least annually, pursuant to law or to the requirements of such supervising or examining authority, then for the purposes of this Section, the combined capital and surplus of such corporation shall be deemed to be its combined capital and surplus as set forth in its most recent report of condition so published. If at any time the Trustee shall cease to be eligible in accordance with the provisions of this Section, it shall resign immediately in the manner and with the effect hereinafter specified in this Article.

**SECTION 10.10. Resignation and Removal; Appointment of Successor.**

(a) No resignation or removal of the Trustee and no appointment of a successor Trustee pursuant to this Article shall become effective until the acceptance of appointment by the successor Trustee in accordance with the applicable requirements of Section 10.11.

(b) The Trustee may resign at any time by giving written notice thereof to the Company. If the instrument of acceptance by a successor Trustee required by Section 10.11 shall not have been delivered to the Trustee within thirty (30) days after the giving of such notice of resignation, the resigning Trustee may petition any court of competent jurisdiction for the appointment of a successor Trustee.

(c) The Trustee may be removed at any time on 30 days notice by Act of the Holders of a majority in principal amount of the Bonds then Outstanding delivered to the Trustee and to the Company.

(d) If at any time:

(i) the Trustee shall fail to comply with Section 10.08 after written request therefor by the Company or by any Holder who has been a bona fide Holder for at least six (6) months, or

(ii) the Trustee shall cease to be eligible under Section 10.09 or Section 310(a) of the Trust Indenture Act and shall fail to resign after written request therefor by the Company or by any such Holder, or

(iii) the Trustee shall become incapable of acting or shall be adjudged a bankrupt or insolvent or a receiver of the Trustee or of its property shall be appointed or any public officer shall take charge or control of the Trustee or of its property or affairs for the purpose of rehabilitation, conservation or liquidation,

then, in any such case, (x) the Company by a Board Resolution may remove the Trustee or (y) subject to Section 9.14, any Holder who has been a bona fide Holder for at least six (6) months may, on behalf of itself and all others similarly situated, petition any court of competent jurisdiction for the removal of the Trustee and the appointment of a successor Trustee or Trustees.

(e) If the Trustee shall resign, be removed or become incapable of acting, or if a vacancy shall occur in the office of Trustee for any cause (other than as contemplated in clause (y) in subsection (d) of this Section), the Company, by a Board Resolution, shall take prompt steps to appoint a successor Trustee or Trustees and shall comply with the applicable requirements of

Section 10.11. If, within one (1) year after such resignation, removal or incapability, or the occurrence of such vacancy, a successor Trustee shall be appointed by Act of the Holders of a majority in principal amount of the Bonds then Outstanding delivered to the Company and the retiring Trustee, the successor Trustee so appointed shall, forthwith upon its acceptance of such appointment in accordance with the applicable requirements of Section 10.11, become the successor Trustee and to that extent supersede the successor Trustee appointed by the Company. If no successor Trustee shall have been so appointed by the Company or the Holders and accepted appointment in the manner required by Section 10.11, the Trustee or the Holders of at least ten percent (10%) in aggregate principal amount of the then Outstanding Bonds may petition any court of competent jurisdiction for the appointment of a successor Trustee.

(f) So long as no event which is, or after notice or lapse of time, or both, would become, an Event of Default shall have occurred and be continuing, if the Company shall have delivered to the Trustee (i) a Board Resolution appointing a successor Trustee, effective as of a date specified therein, and (ii) an instrument of acceptance of such appointment, effective as of such date, by such successor Trustee in accordance with Section 10.11, the Trustee shall be deemed to have resigned as contemplated in subsection (b) of this Section, the successor Trustee shall be deemed to have been appointed pursuant to subsection (e) of this Section and such appointment shall be deemed to have been accepted as contemplated in Section 10.11, all as of such date, and all other provisions of this Section and Section 10.11 shall be applicable to such resignation, appointment and acceptance except to the extent inconsistent with this subsection (f).

(g) The Company shall give notice of each resignation and each removal of the Trustee and each appointment of a successor Trustee by mailing written notice of such event by first-class mail, postage prepaid, to all Holders as their names and addresses appear in the Bond Register or as required by applicable Depositary procedures. Each notice shall include the name of the successor Trustee and the address of its Corporate Trust Office.

**SECTION 10.11. Acceptance of Appointment by Successor.**

(a) In case of the appointment hereunder of a successor Trustee, every such successor Trustee so appointed shall execute, acknowledge and deliver to the Company and to the retiring Trustee an instrument accepting such appointment, and thereupon the resignation or removal of the retiring Trustee shall become effective and such successor Trustee, without any further act, deed or conveyance, shall become vested with all the rights, powers, trusts and duties of the retiring Trustee. Such retiring Trustee shall execute and deliver an instrument transferring to such successor Trustee all the rights, powers and trusts of the retiring Trustee and shall duly assign, transfer and deliver to such successor Trustee all property and money held by such retiring Trustee hereunder.

(b) Upon request of any such successor Trustee, the Company shall execute any instruments which fully vest in and confirm to such successor Trustee all rights, powers and trusts referred to in subsection (a) of this Section.

(c) No successor Trustee shall accept its appointment unless at the time of such acceptance such successor Trustee shall be qualified and eligible under this Article.

**SECTION 10.12. Merger, Conversion, Consolidation or Succession to Business.**

Any corporation into which the Trustee may be merged or converted or with which it may be consolidated, or any corporation resulting from any merger, conversion or consolidation to which the Trustee shall be a party, or any corporation succeeding to all or substantially all the corporate trust business of the Trustee, shall be the successor of the Trustee hereunder, provided such corporation shall be otherwise qualified and eligible under this Article, without the execution or filing of any paper or any further act on the part of any of the parties hereto. In case any Bonds shall have been authenticated, but not delivered, by the Trustee then in office, any successor by merger, conversion or consolidation to such authenticating Trustee may adopt such authentication and deliver the Bonds so authenticated with the same effect as if such successor Trustee had itself authenticated such Bonds.

**SECTION 10.13. Preferential Collection of Claims Against Company.**

If the Trustee shall be or become a creditor of the Company or any other obligor upon the Bonds (other than by reason of a relationship described in Section 311(b) of the Trust Indenture Act), the Trustee shall be subject to any and all applicable provisions of the Trust Indenture Act regarding the collection of claims against the Company or such other obligor.

**SECTION 10.14. Co-Trustees and Separate Trustees.**

At any time or times, for the purpose of meeting the legal requirements of any jurisdiction, the Company and the Trustee shall have power to appoint, and, upon the written request of the Trustee or of the Holders of at least thirty-three percent (33%) in principal amount of the Bonds then Outstanding, the Company shall for such purpose join with the Trustee in the execution and delivery of all instruments and agreements necessary or proper to appoint, one or more Persons approved by the Trustee and, if no Event of Default shall have occurred and be continuing, by the Company either to act as co-trustee under this Indenture, jointly with the Trustee, or to act as separate trustee under this Indenture, in either case with such powers as may be provided in the instrument of appointment, and to vest in such Person or Persons, in the capacity aforesaid, any property, title, right or power deemed necessary or desirable, subject to the other provisions of this Section. If the Company does not join in such appointment within fifteen (15) days after the receipt by it of a request so to do, or if an Event of Default shall have occurred and be continuing, the Trustee alone shall have power to make such appointment.

Should any written instrument or instruments from the Company be required by any co-trustee or separate trustee so appointed to more fully confirm to such co-trustee or separate trustee such property, title, right or power, any and all such instruments shall, on request, be executed, acknowledged and delivered by the Company.

Every co-trustee or separate trustee shall, to the extent permitted by law, but to such extent only, be appointed subject to the following conditions:

(i) the Bonds shall be authenticated and delivered, and all rights, powers, duties and obligations hereunder in respect of the custody of securities, cash and other personal property held by the Trustee hereunder shall be exercised solely by the Trustee;

(ii) the rights, powers, duties and obligations hereby conferred or imposed upon the Trustee shall be conferred or imposed upon and exercised or performed either by the Trustee or by the Trustee and such co-trustee or separate trustee jointly, as shall be provided in the instrument appointing such co-trustee or separate trustee, except to the extent that under any law of any jurisdiction in which any particular act is to be performed, the Trustee shall be incompetent or unqualified to perform such act, in which event such rights, powers, duties and obligations shall be exercised and performed by such co-trustee or separate trustee;

(iii) the Trustee at any time, by an instrument in writing executed by it, with the concurrence of the Company, may accept the resignation of or remove any co-trustee or separate trustee appointed under this Section, and, if an Event of Default shall have occurred and be continuing, the Trustee shall have power to accept the resignation of, or remove, any such co-trustee or separate trustee without the concurrence of the Company. Upon the written request of the Trustee, the Company shall join with the Trustee in the execution and delivery of all instruments and agreements necessary or proper to effectuate such resignation or removal. A successor to any co-trustee or separate trustee so resigned or removed may be appointed in the manner provided in this Section;

(iv) neither the Trustee nor any co-trustee or separate trustee hereunder shall be personally liable by reason of any act or omission of any other trustee hereunder; and

(v) any Act of Holders delivered to the Trustee shall be deemed to have been delivered to each such co-trustee and separate trustee.

#### **SECTION 10.15. Appointment of Authenticating Agent.**

The Trustee may appoint an Authenticating Agent or Agents with respect to the Bonds of one or more series, or any Tranche thereof, which shall be authorized to act on behalf of the Trustee to authenticate Bonds of such series or Tranche issued upon original issuance, exchange, registration of transfer or partial redemption thereof or pursuant to Section 3.06, and Bonds so authenticated shall be entitled to the benefits of this Indenture and shall be valid and obligatory for all purposes as if authenticated by the Trustee hereunder. Wherever reference is made in this Indenture to the authentication and delivery of Bonds by the Trustee or the Trustee's certificate of authentication, such reference shall be deemed to include authentication and delivery on behalf of the Trustee by an Authenticating Agent and a certificate of authentication executed on behalf of the Trustee by an Authenticating Agent. Each Authenticating Agent shall be acceptable to the Company and shall at all times be a corporation organized and doing business under the laws of the United States, any state or territory thereof or the District of Columbia or the Commonwealth of Puerto Rico, authorized under such laws to act as Authenticating Agent, having a combined capital and surplus of not less than Fifty Million Dollars (\$50,000,000) and subject to supervision or examination by federal or state authority. If such Authenticating Agent publishes reports of condition at least annually, pursuant to law or to the requirements of said supervising or examining authority, then for the purposes of this Section, the combined capital and surplus of such Authenticating Agent shall be deemed to be its combined capital and surplus as set forth in its most recent report of condition so published. If at any time an Authenticating Agent shall cease to be eligible in accordance with the provisions of this Section, such

Authenticating Agent shall resign immediately in the manner and with the effect specified in this Section.

Any corporation into which an Authenticating Agent may be merged or converted or with which it may be consolidated, or any corporation resulting from any merger, conversion or consolidation to which such Authenticating Agent shall be a party, or any corporation succeeding to all or substantially all of the corporate agency or corporate trust business of an Authenticating Agent, shall continue to be an Authenticating Agent, provided such corporation shall be otherwise eligible under this Section, without the execution or filing of any paper or any further act on the part of the Trustee or the Authenticating Agent.

An Authenticating Agent may resign at any time by giving written notice thereof to the Trustee and to the Company. The Trustee may at any time terminate the agency of an Authenticating Agent by giving written notice thereof to such Authenticating Agent and to the Company. Upon receiving such a notice of resignation or upon such a termination, or in case at any time such Authenticating Agent shall cease to be eligible in accordance with the provisions of this Section, the Trustee may appoint a successor Authenticating Agent which shall be acceptable to the Company. Any successor Authenticating Agent upon acceptance of its appointment hereunder shall become vested with all the rights, powers and duties of its predecessor hereunder, with like effect as if originally named as an Authenticating Agent. No successor Authenticating Agent shall be appointed unless eligible under the provisions of this Section.

The Company agrees to pay to each Authenticating Agent from time to time reasonable compensation for its services under this Section.

The provisions of Sections 3.03, 10.04 and 10.05 shall be applicable to each Authenticating Agent.

If an appointment with respect to the Bonds of one or more series, or any Tranche thereof, shall be made pursuant to this Section, the Bonds of such series or Tranche may have endorsed thereon, in addition to the Trustee's certificate of authentication, an alternate certificate of authentication substantially in the following form:

This is one of the Bonds of the series designated therein referred to in the within-mentioned Indenture.

### LISTS OF HOLDERS; REPORTS BY TRUSTEE AND COMPANY

#### SECTION 11.01. Lists of Holders.

Semi-annually, not less than forty-five (45) days nor more than sixty (60) days after June 1 and December 1 in each year, commencing 2019, and at such other times as the Trustee may request in writing, the Company shall furnish or cause to be furnished to the Trustee, information as to the names and addresses of the Holders as of a date no more than fifteen (15) days prior to the date such information is so furnished, and the Trustee shall preserve such information and similar information received by it in any other capacity and afford to the Holders access to information so preserved by it, all to such extent, if any, and in such manner as shall be required by the Trust Indenture Act; provided, however, that no such list need be furnished so long as the Trustee shall be the Bond Registrar.

#### SECTION 11.02. Reports by Trustee and Company.

The Trustee shall transmit to the Holders, the Commission and each securities exchange upon which any Bonds are listed, and the Company shall file with the Trustee (within thirty (30) days after filing with the Commission in the case of reports which pursuant to the Trust Indenture Act must be filed with the Commission and furnished to the Trustee) and cause to be transmitted to Holders, such other information, reports and other documents, if any, at such times and in such manner, as shall be required by the Trust Indenture Act; provided, however, that the electronic filing with the Commission through the Commission's Electronic Data Gathering, Analysis and Retrieval System (or any successor system providing for free public access to such filings) shall satisfy the Company's obligation to provide such reports, information and documents to the Trustee and the Holders.

Delivery of such reports, information and documents to the Trustee is for informational purposes only and the Trustee's receipt of such shall not constitute constructive notice of any information contained therein or determinable from information contained therein, including the Company's compliance with any of its covenants hereunder (as to which the Trustee is entitled to rely exclusively on Officers' Certificates).

## ARTICLE XII

### CONSOLIDATION, MERGER, CONVEYANCE OR OTHER TRANSFER

#### SECTION 12.01. Company May Consolidate, etc., Only on Certain Terms.

The Company shall not consolidate with or merge with or into any other Person, or convey, or otherwise transfer, or lease, all or substantially all of the Principal Property to any Person, unless:

(a) the Person formed by such consolidation or into which the Company is merged or the Person which acquires by conveyance or other transfer, or which leases, all or substantially all of the Principal Property shall be a corporation, shall be organized and existing under the laws of the United States, any state thereof or the District of Columbia (such corporation being

hereinafter sometimes called the "Successor Corporation") and shall execute and deliver to the Trustee an indenture supplemental hereto, in form reasonably satisfactory to the Trustee, which in the case of a consolidation, merger, conveyance or other transfer, or in the case of a lease if the term thereof extends beyond the last Stated Maturity of the Bonds then Outstanding, contains an assumption by the Successor Corporation of the due and punctual payment of the principal of and premium, if any, and interest, if any, on all the Bonds then Outstanding and the performance and observance of every covenant and condition of this Indenture to be performed or observed by the Company, and

(b) in the case of a lease, such lease shall be made expressly subject to termination by the Company at any time during the continuance of an Event of Default, and

(c) immediately after giving effect to such transaction and treating any indebtedness which becomes an obligation of the Company as a result of such transaction as having been incurred by the Company at the time of such transaction, no Default or Event of Default shall have occurred and be continuing; and

(d) the Company has delivered to the Trustee an Officer's Certificate and an Opinion of Counsel, each stating that the merger, consolidation, conveyance, lease or transfer, as the case may be, fully complies with all provisions of this Indenture; provided, however, that the delivery of such an Officer's Certificate and Opinion of Counsel shall not be required with respect to any merger, consolidation, conveyance, transfer or lease between the Company and any of its wholly-owned Subsidiaries.

Notwithstanding the foregoing, the Company may merge or consolidate with or transfer all or substantially all of its assets to an Affiliate that has no significant assets or liabilities and was formed solely for the purpose of changing the jurisdiction of organization of the Company or the form of organization of the Company or for the purpose of forming a holding company; provided that the amount of indebtedness of the Company is not increased thereby; and provided, further that the successor assumes all obligations of the Company under this Indenture.

#### **SECTION 12.02. Successor Corporation Substituted.**

Upon any consolidation or merger or any conveyance or other transfer of all or substantially all of the Principal Property in accordance with Section 12.01, the Successor Corporation shall succeed to, and be substituted for, and may exercise every power and right of, the Company under this Indenture with the same effect as if such Successor Corporation had been named as the "Company" herein. Without limiting the generality of the foregoing, the Successor Corporation may execute and deliver to the Trustee, and thereupon the Trustee shall, subject to the provisions of Article V, authenticate and deliver, Bonds in accordance with the provisions hereof.

All Bonds so executed by the Successor Corporation, and authenticated and delivered by the Trustee, shall in all respects be entitled to the benefits of this Indenture equally and ratably with all Bonds executed, authenticated and delivered prior to the time such consolidation, merger, conveyance or other transfer became effective.

In case of any such consolidation, merger, sale, conveyance or lease, changes in phraseology and form may be made in the Bonds thereafter to be issued and the documentation thereafter to be delivered hereunder as may be appropriate to reflect such occurrence.

**SECTION 12.03. Property of Successor Corporation.**

Unless, in the case of a consolidation, merger, conveyance or other transfer contemplated by Section 12.01, the indenture supplemental hereto contemplated in clause (a) in Section 12.01, or any other indenture, so provides, none of the properties:

(a) owned by the Successor Corporation or any other party to such transaction (other than the Company) immediately prior to the time of effectiveness of such transaction or

(b) acquired by the Successor Corporation at or after the time of effectiveness of such transaction,

shall be or become Principal Property, except, in either case, Principal Property acquired from the Company in or as a result of such transaction and to the extent not constituting Excepted Property, improvements, extensions and additions to such Principal Property and renewals, replacements and substitutions of or for any part or parts of such Principal Property.

**SECTION 12.04. Release of Company Upon Conveyance or Other Transfer.**

In the case of a conveyance or other transfer to any Person or Persons as contemplated in Section 12.01, upon the satisfaction of all the conditions specified in Section 12.01, the Company (such term being used in this Section without giving effect to such transaction) shall be released and discharged from all obligations and covenants under this Indenture and on and under all Bonds then Outstanding (unless the Company shall have delivered to the Trustee an instrument in which it shall waive such release and discharge) and the Trustee shall acknowledge in writing that the Company has been so released and discharged.

**SECTION 12.05. Merger Into Company.**

(a) Nothing in this Indenture shall be deemed to prevent or restrict any consolidation or merger after the consummation of which the Company would be the surviving or resulting company or any conveyance or other transfer, or lease, of any part of the Principal Property which does not constitute the entirety, or substantially the entirety, thereof.

(b) Unless, in the case of a consolidation or merger described in subsection (a) of this Section, an indenture supplemental hereto shall otherwise provide, none of the properties acquired by the Company in or as a result of such transaction or any improvements, extensions or additions to such properties or any renewals, replacements or substitutions of or for any part or parts thereof shall be or become Principal Property.

**ARTICLE XIII**  
**SUPPLEMENTAL INDENTURES**

**SECTION 13.01. Supplemental Indentures Without Consent of Holders.**

Without the consent of any Holders, the Company and the Trustee, at any time and from time to time, may enter into one or more indentures supplemental hereto, in form reasonably satisfactory to the Trustee, for any of the following purposes:

- (a) to evidence the succession of another Person to the Company and the assumption by any such successor of the covenants of the Company herein and in the Bonds, all as provided in Article XII; or
- (b) to add one or more covenants of the Company or other provisions for the benefit of all Holders or for the benefit of the Holders of, or to remain in effect only so long as there shall be Outstanding, Bonds of one or more specified series, or one or more specified Tranches thereof; or to surrender any right or power herein conferred upon the Company; or
- (c) to change or eliminate any provision of this Indenture or to add any new provision to this Indenture; provided, however, that if such change, elimination or addition shall adversely affect the interests of the Holders of Bonds of any series or Tranche in any material respect, such change, elimination or addition shall become effective with respect to such series or Tranche only when no Bond of such series or Tranche remains Outstanding; or
- (d) to establish the form or terms of Bonds of any series or Tranche as contemplated by Sections 2.01 and 3.01; or
- (e) to evidence and provide for the acceptance of appointment hereunder by a separate or successor Trustee with respect to the Bonds of one or more series and to add to or change any of the provisions of this Indenture as shall be necessary to provide for or facilitate the administration of the trusts hereunder by more than one Trustee, pursuant to the requirements of Section 10.11(b); or
- (f) to provide for the procedures required to permit the Company to issue, at its option, all or any series or Tranche of, the Bonds as uncertificated securities; or
- (g) to change any place or places where (1) the principal of and premium, if any, and interest, if any, on all or any series of Bonds, or any Tranche thereof, shall be payable, (2) all or any series of Bonds, or any Tranche thereof, may be surrendered for registration of transfer, (3) all or any series of Bonds, or any Tranche thereof, may be surrendered for exchange and (4) notices and demands to or upon the Company in respect of all or any series of Bonds, or any Tranche thereof, and this Indenture may be served; or
- (h) to cure any ambiguity, to correct or supplement any provision herein which may be defective or inconsistent with any other provision herein; or to make any other additions to, deletions from or other changes to the provisions under this Indenture, provided that such

additions, deletions and/or other changes shall not materially adversely affect the interests of the Holders of Bonds of any series or Tranche in any material respect; or

(i) to modify, eliminate or add to the provisions of this Indenture to such extent as shall be necessary to continue the qualification of this Indenture under the Trust Indenture Act, or under any similar federal statute enacted after August 6, 2018, and to add to this Indenture such other provisions as may be expressly permitted by the Trust Indenture Act, excluding, however the provisions referred to in Section 316(a)(2) of the Trust Indenture Act as in effect on August 6, 2018 or any corresponding provision in any similar federal statute enacted after August 6, 2018; or

(j) to supplement any of the provisions of this Indenture to such extent as shall be necessary to permit or facilitate the discharge of any series of Bonds pursuant to Section 8.02; provided that any such action shall not adversely affect the interests of the Holders of Bonds of such series or any other series of Bonds in any material respect;

(k) to comply with the rules or regulations of any securities exchange or automated quotation system on which any of the Bonds may be listed or traded or of any applicable securities depository;

(l) provide for the issuance of exchange bonds in exchange for initial bonds of the same series, which will have terms substantially identical in all material respects to such series of initial bonds (except that the transfer restrictions contained in such series of initial bonds will be modified or eliminated, as appropriate, and there will be no registration rights), and which will be treated, together with any outstanding Bonds of such series, as a single issue of securities; or

(m) comply with any requirement in connection with the qualification of this Indenture under the Trust Indenture Act.

Without limiting the generality of the foregoing, if the Trust Indenture Act as in effect on August 6, 2018, or at any time thereafter shall be amended and:

(x) if any such amendment shall require one or more changes to any provisions hereof or the inclusion herein of any additional provisions, or shall by operation of law be deemed to effect such changes or incorporate such provisions by reference or otherwise, this Indenture shall be deemed to have been amended so as to conform to such amendment to the Trust Indenture Act, and the Company and the Trustee may, without the consent of any Holders, enter into an indenture supplemental hereto to evidence such amendment hereof; or

(y) if any such amendment shall permit one or more changes to, or the elimination of, any provisions hereof which, as of August 6, 2018 or at any time thereafter, are required by the Trust Indenture Act to be contained herein or are contained herein to reflect any provisions of the Trust Indenture Act as in effect at such date, this Indenture shall be deemed to have been amended to effect such changes or elimination, and the Company and the Trustee may, without the consent of any Holders, enter into an indenture supplemental hereto to amend this Indenture to effect such changes or elimination.

**SECTION 13.02. Supplemental Indentures With Consent of Holders.**

Subject to the provisions of Section 13.01, with the consent of the Holders of not less than a majority in aggregate principal amount of the Bonds of all series then Outstanding under this Indenture, considered as one class, by Act of said Holders delivered to the Company and the Trustee, the Company and the Trustee may enter into an indenture or indentures supplemental hereto for the purpose of adding any provisions to, or changing in any manner or eliminating any of the provisions of, this Indenture; provided, however, that if there shall be Bonds of more than one series Outstanding hereunder and if a proposed supplemental indenture shall directly affect the rights of the Holders of Bonds of one or more, but less than all, of such series, then the consent only of the Holders of not less than a majority in aggregate principal amount of the Outstanding Bonds of all series so directly affected, considered as one class, shall be required; and provided, further, that if the Bonds of any series shall have been issued in more than one Tranche and if a proposed supplemental indenture shall directly affect the rights of the Holders of Bonds of one or more, but less than all, of such Tranches, then the consent only of the Holders of a majority in aggregate principal amount of the Outstanding Bonds of all Tranches so directly affected, considered as one class, shall be required; and provided, further, that no such supplemental indenture shall, without the consent of the Holder of each Outstanding Bond of each series or Tranche so directly affected:

- (a) except as otherwise specified in the form or terms of the Bonds of any series as permitted by Sections 2.01 and 3.01 with respect to extending the Stated Maturity of any Bond of such series, change the Stated Maturity of the principal of, or any installment of principal of or interest on, any Bond, or reduce the principal amount thereof or the rate of interest thereon (or the amount of any installment of interest thereon) or change the method of calculating such rate or reduce any premium payable thereon, or reduce the amount of the principal of any Discount Bond that would be due and payable upon a declaration of acceleration of the Maturity thereof pursuant to Section 9.02, or change the coin or currency (or other property), in which any Bond or premium, if any, or interest, if any, thereon is payable, or impair the right to institute suit for the enforcement of any such payment on or after the Maturity of any Bond, without, in any such case, the consent of the Holder of such Bond; or
- (b) reduce the percentage in principal amount of the Outstanding Bonds of any series, or any Tranche thereof, the consent of the Holders of which is required for any such supplemental indenture, or the consent of the Holders of which is required for any waiver of compliance with any provision of this Indenture or of any default hereunder and its consequences, or reduce the requirements of Section 14.04 for quorum or voting; or
- (c) modify any of the provisions of this Section, Section 7.05 or Section 9.13 with respect to the Bonds of any series or any Tranche thereof (except to increase the percentages in principal amount referred to in this Section or such other Sections or to provide that other provisions of this Indenture cannot be modified or waived without the consent of the Holders of all Bonds of such series or Tranche) without, in any such case, the consent of the Holder of each Outstanding Bond of such series or Tranche; provided, however, that this clause shall not be deemed to require the consent of any Holder with respect to changes in the references to "the Trustee" and concomitant changes in this Section, or the deletion of this proviso, in accordance with the requirements of Section 13.01(e).

A supplemental indenture which (x) changes or eliminates any covenant or other provision of this Indenture which has expressly been included solely for the benefit of the Holders of, or which is to remain in effect only so long as there shall be Outstanding, Bonds of one or more specified series, or one or more Tranches thereof, or (y) modifies the rights of the Holders of Bonds of such series or Tranches with respect to such covenant or other provision, shall be deemed not to affect the rights under this Indenture of the Holders of Bonds of any other series or Tranche.

It shall not be necessary for any Act of Holders under this Section to approve the particular form of any proposed supplemental indenture, but it shall be sufficient if such Act shall approve the substance thereof.

Anything in this Indenture to the contrary notwithstanding, if the Officer's Certificate, supplemental indenture or Board Resolution, as the case may be, establishing the Bonds of any series or Tranche shall provide that the Company may make certain specified additions, changes or eliminations to or from this Indenture which shall be specified in such Officer's Certificate, supplemental indenture or Board Resolution establishing such series or Tranche, (a) the Holders of Bonds of such series or Tranche shall be deemed to have consented to a supplemental indenture containing such additions, changes or eliminations to or from this Indenture which shall be specified in such Officer's Certificate, supplemental indenture or Board Resolution establishing such series or Tranche, (b) no Act of such Holders shall be required to evidence such consent and (c) such consent may be counted in the determination of whether or not the Holders of the requisite principal amount of Bonds shall have consented to such supplemental indenture.

#### **SECTION 13.03. Execution of Supplemental Indentures.**

In executing, or accepting the additional trusts created by, any supplemental indenture permitted by this Article or the modifications thereby of the trusts created by this Indenture, the Trustee shall be entitled to receive, and (subject to Section 10.01) shall be fully protected in relying upon, an Opinion of Counsel and Officer's Certificate stating that the execution of such supplemental indenture is authorized or permitted by this Indenture and all conditions precedent to the execution of such supplemental indenture have been complied with. The Trustee may, but shall not be obligated to, enter into any such supplemental indenture which affects the Trustee's own rights, duties, immunities or liabilities under this Indenture or otherwise.

#### **SECTION 13.04. Effect of Supplemental Indentures.**

Upon the execution and delivery of any supplemental indenture under this Article, this Indenture shall be modified in accordance therewith, and such supplemental indenture shall form a part of this Indenture for all purposes; and every Holder of Bonds theretofore or thereafter authenticated and delivered hereunder shall be bound thereby. Any supplemental indenture permitted by this Article may restate this Indenture in its entirety, and, upon the execution and delivery thereof, any such restatement shall supersede this Indenture as theretofore in effect for all purposes.

**SECTION 13.05. Conformity With Trust Indenture Act.**

Every supplemental indenture executed pursuant to this Article shall conform to the requirements of the Trust Indenture Act.

**SECTION 13.06. Reference in Bonds to Supplemental Indentures.**

Bonds of any series, or any Tranche thereof, authenticated and delivered after the execution of any supplemental indenture pursuant to this Article may, and shall if required by the Trustee, bear a notation in form approved by the Trustee as to any matter provided for in such supplemental indenture. If the Company shall so determine, new Bonds of any series, or any Tranche thereof, so modified as to conform, in the opinion of the Trustee and the Company, to any such supplemental indenture may be prepared and executed by the Company and authenticated and delivered by the Trustee in exchange for Outstanding Bonds of such series or Tranche.

**SECTION 13.07. Modification Without Supplemental Indenture.**

To the extent, if any, that the terms of any particular series of Bonds shall have been established in or pursuant to a Board Resolution or an Officer's Certificate pursuant to a supplemental indenture or a Board Resolution as contemplated by Section 3.01, and not in a supplemental indenture, additions to, changes in or the elimination of any of such terms may be effected by means of a supplemental Board Resolution or a supplemental Officer's Certificate, as the case may be, delivered to, and accepted by, the Trustee; provided, however, that such supplemental Board Resolution or supplemental Officer's Certificate shall not be accepted by the Trustee or otherwise be effective unless all conditions set forth in this Indenture which would be required to be satisfied if such additions, changes or elimination were contained in a supplemental indenture shall have been appropriately satisfied, as evidenced by an Opinion of Counsel and Officer's Certificate delivered to the Trustee. Upon the acceptance thereof by the Trustee, any such supplemental Board Resolution or supplemental Officer's Certificate shall be deemed to be a "supplemental indenture" for purposes of Sections 13.04 and 13.06.

**ARTICLE XIV**

**MEETINGS OF HOLDERS; ACTION WITHOUT MEETING**

**SECTION 14.01. Purposes for Which Meetings May Be Called.**

A meeting of Holders of Bonds of one or more, or all, series, or any Tranche or Tranches thereof, may be called at any time and from time to time pursuant to this Article to make, give or take any request, demand, authorization, direction, notice, consent, waiver or other action provided by this Indenture to be made, given or taken by Holders of Bonds of such series or Tranches.

**SECTION 14.02. Call, Notice and Place of Meetings.**

(a) The Trustee may at any time call a meeting of Holders of Bonds of one or more, or all, series, or any Tranche or Tranches thereof, for any purpose specified in Section 14.01, to be held at such time and (except as provided in subsection (b) of this Section) at such place as the

Trustee shall determine with the approval of the Company. Notice of every such meeting, setting forth the time and the place of such meeting and in general terms the action proposed to be taken at such meeting, shall be given, in the manner provided in Section 1.06, not less than twenty-one (21) nor more than one hundred eighty (180) days prior to the date fixed for the meeting.

(b) The Trustee may be asked to call a meeting of the Holders of Bonds of one or more, or all, series, or any Tranche or Tranches thereof, by the Company or by the Holders of at least twenty-five percent (25%) in aggregate principal amount of all of such series and Tranches, considered as one class, for any purpose specified in Section 14.01, by written request setting forth in reasonable detail the action proposed to be taken at the meeting. If the Trustee shall have been asked by the Company to call such a meeting, the Company shall determine the time and place for such meeting and may call such meeting by giving notice thereof in the manner provided in subsection (a) of this Section, or shall direct the Trustee, in the name and at the expense of the Company, to give such notice. If the Trustee shall have been asked to call such a meeting by Holders in accordance with this subsection (b), and the Trustee shall not have given the notice of such meeting within twenty-one (21) days after receipt of such request or shall not thereafter proceed to cause the meeting to be held as provided herein, then the Holders of Bonds of such series and Tranches, in the principal amount above specified, may determine the time and the place for such meeting, such place to be approved by the Company, and may call such meeting for such purposes by giving notice thereof as provided in subsection (a) of this Section.

(c) Any meeting of Holders of Bonds of one or more, or all, series, or any Tranche or Tranches thereof, shall be valid without notice if the Holders of all Outstanding Bonds of such series or Tranches are present in person or by proxy and if representatives of the Company and the Trustee are present, or if notice is waived in writing before or after the meeting by the Holders of all Outstanding Bonds of such series, or any Tranche or Tranches thereof, or by such of them as are not present at the meeting in person or by proxy, and by the Company and the Trustee.

#### **SECTION 14.03. Persons Entitled to Vote at Meetings.**

To be entitled to vote at any meeting of Holders of Bonds of one or more, or all, series, or any Tranche or Tranches thereof, a Person shall be (a) a Holder of one or more Outstanding Bonds of such series or Tranches or (b) a Person appointed by an instrument in writing as proxy for a Holder or Holders of one or more Outstanding Bonds of such series or Tranches by such Holder or Holders. The only Persons who shall be entitled to attend any meeting of Holders of Bonds of any series or Tranche shall be the Persons entitled to vote at such meeting and their counsel, any representatives of the Trustee and its counsel and any representatives of the Company and its counsel.

#### **SECTION 14.04. Quorum; Action.**

The Persons entitled to vote a majority in aggregate principal amount of the Outstanding Bonds of the series and Tranches with respect to which a meeting shall have been called as hereinbefore provided, considered as one class, shall constitute a quorum for a meeting of Holders of Bonds of such series and Tranches; provided, however, that if any action is to be taken at such meeting

which this Indenture expressly provides may be taken by the Holders of a specified percentage, which is less than a majority, in principal amount of the Outstanding Bonds of such series and Tranches, considered as one class, the Persons entitled to vote such specified percentage in principal amount of the Outstanding Bonds of such series and Tranches, considered as one class, shall constitute a quorum. In the absence of a quorum within one hour of the time appointed for any such meeting, the meeting shall, if convened at the request of Holders of Bonds of such series and Tranches, be dissolved. In any other case the meeting may be adjourned for such period as may be determined by the chairman of the meeting prior to the adjournment of such meeting. In the absence of a quorum at any such adjourned meeting, such adjourned meeting may be further adjourned for such period as may be determined by the chairman of the meeting prior to the adjournment of such adjourned meeting. Except as provided by Section 14.05(e), notice of the reconvening of any meeting adjourned for more than thirty (30) days shall be given as provided in Section 1.06 not less than ten (10) days prior to the date on which the meeting is scheduled to be reconvened. Notice of the reconvening of an adjourned meeting shall state expressly the percentage, as provided above, of the principal amount of the Outstanding Bonds of such series and Tranches which shall constitute a quorum.

Except as limited by Section 13.02, any resolution presented to a meeting or adjourned meeting duly reconvened at which a quorum is present as aforesaid may be adopted only by the affirmative vote of the Holders of not less than a majority in aggregate principal amount of the Outstanding Bonds of the series and Tranches with respect to which such meeting shall have been called, considered as one class; provided, however, that, except as so limited, any resolution with respect to any action which this Indenture expressly provides may be taken by the Holders of a specified percentage, which is less than a majority, in principal amount of the Outstanding Bonds of such series and Tranches, considered as one class, may be adopted at a meeting or an adjourned meeting duly reconvened and at which a quorum is present as aforesaid by the affirmative vote of the Holders of such specified percentage in principal amount of the Outstanding Bonds of such series and Tranches, considered as one class.

Any resolution passed or decision taken at any meeting of Holders of Bonds duly held in accordance with this Section shall be binding on all the Holders of Bonds of the series and Tranches with respect to which such meeting shall have been held, whether or not present or represented at the meeting.

**SECTION 14.05. Attendance at Meetings; Determination of Voting Rights; Conduct and Adjournment of Meetings.**

(a) Attendance at meetings of Holders of Bonds may be in person or by proxy; and, to the extent permitted by law, any such proxy shall remain in effect and be binding upon any future Holder of the Bonds with respect to which it was given unless and until specifically revoked by the Holder or future Holder (except as provided in Section 1.04(g)) of such Bonds before being voted.

(b) Notwithstanding any other provisions of this Indenture, the Trustee may make such reasonable regulations as it may deem advisable for any meeting of Holders of Bonds in regard to proof of the holding of such Bonds and of the appointment of proxies and in regard to the appointment and duties of inspectors of votes, the submission and examination of proxies,

certificates and other evidence of the right to vote, and such other matters concerning the conduct of the meeting as it shall deem appropriate. Except as otherwise permitted or required by any such regulations and approved by the Company, the holding of Bonds shall be proved in the manner specified in Section 1.04 and the appointment of any proxy shall be proved in the manner specified in Section 1.04. Such regulations may provide that written instruments appointing proxies, regular on their face, may be presumed valid and genuine without the proof specified in Section 1.04 or other proof.

(c) The Trustee shall, by an instrument in writing, appoint a temporary chairman of the meeting, unless the meeting shall have been called by the Company or by Holders as provided in Section 14.02(b), in which case the Company or the Holders of Bonds of the series and Tranches calling the meeting, as the case may be, shall in like manner appoint a temporary chairman. A permanent chairman and a permanent secretary of the meeting shall be elected by vote of the Persons entitled to vote a majority in aggregate principal amount of the Outstanding Bonds of all series and Tranches represented at the meeting, considered as one class.

(d) At any meeting each Holder or proxy shall be entitled to one vote for each One Thousand Dollars (\$1,000) principal amount of Outstanding Bonds held or represented by such Holder; provided, however, that no vote shall be cast or counted at any meeting in respect of any Bond challenged as not Outstanding and ruled by the chairman of the meeting to be not Outstanding. The chairman of the meeting shall have no right to vote, except as a Holder of a Bond or proxy.

(e) Any meeting duly called pursuant to Section 14.02 at which a quorum is present may be adjourned from time to time by Persons entitled to vote a majority in aggregate principal amount of the Outstanding Bonds of all series and Tranches represented at the meeting, considered as one class; and the meeting may be held as so adjourned without further notice.

#### **SECTION 14.06. Counting Votes and Recording Action of Meetings.**

The vote upon any resolution submitted to any meeting of Holders shall be by written ballots on which shall be subscribed the signatures of the Holders or of their representatives by proxy and the principal amounts and serial numbers of the Outstanding Bonds, of the series and Tranches with respect to which the meeting shall have been called, held or represented by them. The permanent chairman of the meeting shall appoint two (2) inspectors of votes who shall count all votes cast at the meeting for or against any resolution and who shall make and file with the secretary of the meeting their verified written reports of all votes cast at the meeting. A record in duplicate of the proceedings of each meeting of Holders shall be prepared by the secretary of the meeting and there shall be attached to such record the original reports of the inspectors of votes on any vote by ballot taken thereat and affidavits by one or more persons having knowledge of the facts setting forth a copy of the notice of the meeting and showing that such notice was given as provided in Section 14.02 and, if applicable, Section 14.04. Each copy shall be signed and verified by the affidavits of the permanent chairman and secretary of the meeting and one such copy shall be delivered to the Company, and another to the Trustee to be preserved by the Trustee, the latter to have attached thereto the ballots voted at the meeting. Any record so signed and verified shall be conclusive evidence of the matters therein stated.

**SECTION 14.07. Action Without Meeting.**

In lieu of a vote of Holders at a meeting as hereinbefore contemplated in this Article, any request, demand, authorization, direction, notice, consent, waiver or other action may be made, given or taken by Holders by one or more written instruments as provided in Section 1.04.
